

GIVES GREATER SATISFACTION

FOR HOME, CAMP AND EMERGENCY

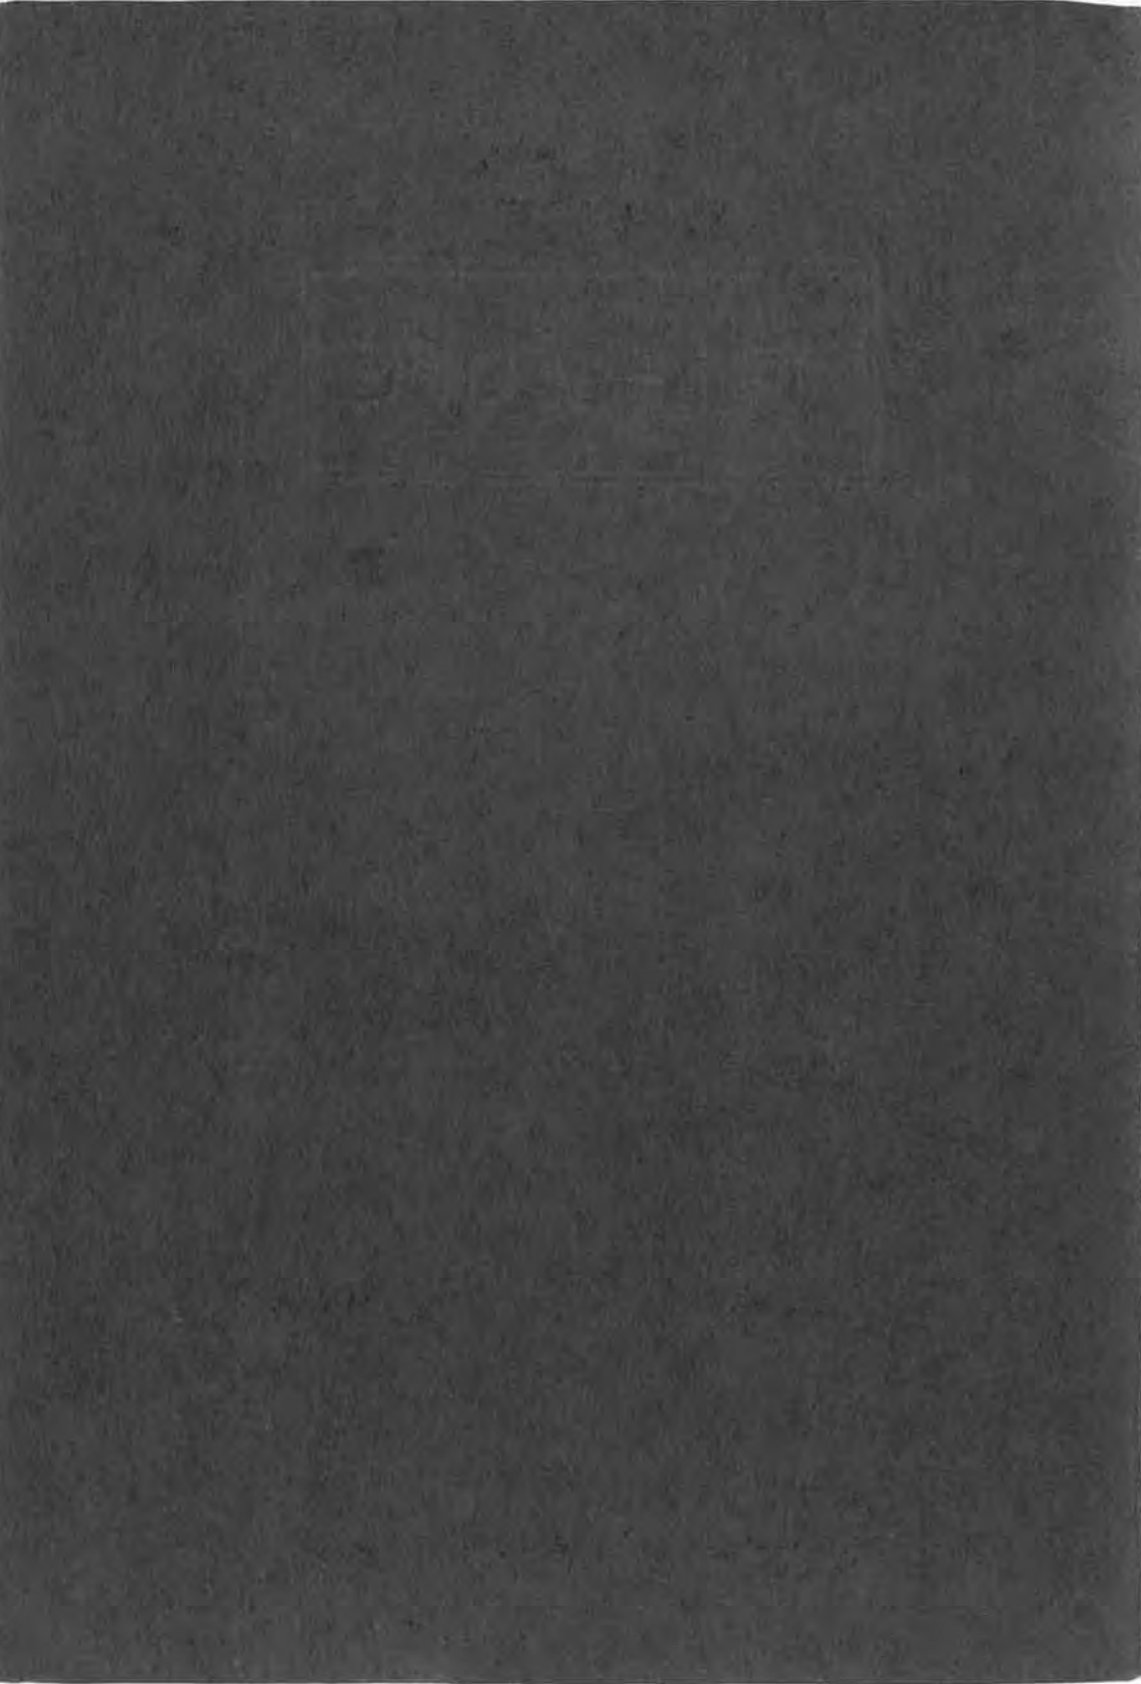

THE TELESCOPE COT BED COMPANY

874 BROADWAY, NEW YORK, N. Y., U. S. A.

MANUFACTURERS OF FINE FOLDING FURNITURE

Since 1903

Factory: GRANVILLE, N. Y.

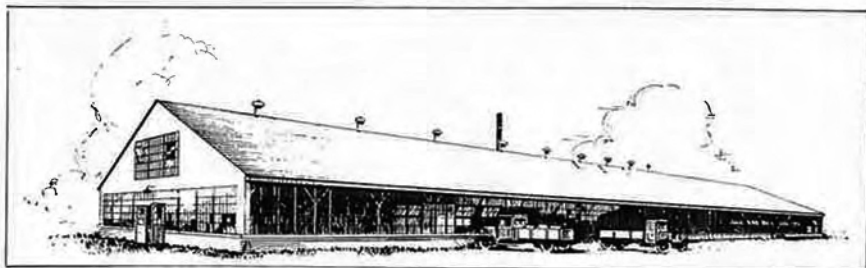

The Accepted Standard for a Quarter Century

GENUINE Telescope Folding Furniture is manufactured in one of the largest "daylight" factories in the World, devoted exclusively to the making of Folding Furniture.

The plant is equipped with modern machinery and the product is manufactured under healthful and sanitary conditions by efficient and contented workers. Every device of modern science is employed to produce the highest quality of goods known to the trade. The factory is more than two city blocks in length and covers seven acres, having a direct railroad-siding and loading-platform, which facilitate the handling of shipments.

NEW IDEAS

We invite your careful consideration of several new folding devices set forth in this catalogue and which are incorporated in the construction of the Genuine Telescope Folding Furniture. In order to satisfy yourself with regard to our claims, we would suggest that you favor us with an order for a sample of each article, which will afford you an opportunity to consider the sales possibilities and aid you in planning your sales for the coming season. We will be glad to cooperate with you at all times.

REPUTATION

Genuine Telescope Folding Furniture has been manufactured by us for the past 24 years, and has always enjoyed the reputation of giving the utmost in satisfaction, service and durability.

SALES SERVICE

Our Sales Offices are conveniently located at 874 Broadway, New York City, where a complete line is on display.

STOCK

A large stock of Genuine Folding Furniture is always on hand at our Sales Rooms and deliveries can be promptly made on short notice. Furniture of special construction can be made to order with promptness and dispatch.

SAMPLE ORDERS

Orders for individual pieces of Genuine Telescope Folding Furniture receive the same attention as orders for large quantities.

PACKING

Genuine Telescope Folding Furniture is carefully packed. Domestic and Export shipments arrive at destination in good condition, whether routed via Rail, Boat, Express or Parcel Post.

FREIGHT RATES

Exceedingly low freight rates on Genuine Telescope Folding Furniture are assured to dealers in New England, Middle Atlantic, Central Western, Southern States and the Pacific Coast. Our Traffic Department will gladly furnish rates on request.

GUARANTEED UNIFORMITY

The Hardwoods used in Genuine Telescope Folding Furniture come direct from our own lumber camps, and are logged under our personal supervision. Therefore, at the base of supply, uniformity of hardwoods of selected grades can be assured.

KNOWLEDGE — EXPERIENCE

Folding arrangements of Genuine Telescope Folding Furniture are simplified, so that they can be easily opened, folded and stored. This is the result of our twenty-four years of knowledge and experience devoted exclusively to the manufacture of folding furniture.

OUR TRADE MARK

All Genuine Telescope Folding Furniture bears our registered trademark, which guarantees satisfaction.

ELECTROTYPES

Dealers' helps to promote the sale of Genuine Telescope Folding Furniture such as single and double column electrotypes for catalogues and other advertising media will be furnished upon request. Our Advertising Department will be pleased to co-operate with you.

SALES HELPS

Dealers' sales helps, such as leaflets and attractive window posters of Genuine Telescope Folding Furniture, will also be supplied upon request, by our Advertising Department.

DISPLAY FURNITURE

Model Cots, Chairs and Stools, for display purposes, are furnished to our dealers at a minimum cost.

REPRESENTATION

Genuine Telescope Folding Furniture is represented in all Foreign Countries. Firm names and addresses of our Representatives furnished upon request.

No. 77

"TELESCOPE" FOLDING ONE-PIECE STEEL COT

Frame is made of the best Round Steel Tubing. All Steel Plate and Bracket re-inforcements are electrically welded to frame. This Process assures the Consumer, the strongest and most compact one-piece All-Steel Folding Cot now available, without end pieces. The Frame is finished in Walnut. Ends of legs are rounded to give smooth surface and prevent scratching of floors. Heavy Canvas Duck used is especially woven for us.

Covers in BROWN, OLIVE-DRAB, and GREEN Canvas Duck; Warranted fast color. Also made in Olive-Drab Imported Cloth Cover.

DIMENSIONS

Opened: 6 feet 4 inches long; 26 inches wide, 16¾ inches high.

Folded: 3 inches x 6½ inches x 38 inches.

Weight: 18½ pounds.

Domestic Packing: 3 to a bundle.

Approximate Weight 60 pounds.

Export Packing in cases or bales as required.
