FOREWORD

TELESCOPE presents the most complete high quality line of fine Folding Furniture, especially adapted for Home, Lawn, Beach, Garden, etc.

TELESCOPE employs the most modern machinery and improved processes, resulting in manufacturing economies. Our large scale production enables us to produce at a minimum cost.

TELESCOPE Folding Furniture is manufactured of the highest grade materials. Only northern grown Maple, Birch, and Beech Hardwoods (thoroughly air-dried) are used in the manufacture of each and every TELESCOPE product. Fine quality canvas of special construction used throughout, assuring complete satisfaction.

TELESCOPE Folding Furniture is made in harmonizing color combinations, attractive in style and exclusive in design. Genuine lacquers are used for finishing frames.

TELESCOPE maintains a large stock, assuring speedy delivery throughout the year.

TELESCOPE Folding Furniture is guaranteed against defects in materials and imperfections in manufacture.

TELESCOPE products have been "CHOSEN THE WORLD OVER SINCE 1903," because of their many outstanding features.
