No. 5 Child's Cot

Opened: 54 in. long x 21 in. wide x 14 in. high

Folded: 27 inches x 8 inches x 4½ inches

Covers: 3 ply filled Brown Duck

Weight: 12 Pounds

No. 7 Kindergarten Cot

This cot is purposely made for use in Kindergartens and nurseries particularly for rest periods. It is the most popular cot designed for the reason that the folding arrangement incorporated is so simple that any child can open or close it. Light in weight, yet sturdy and very comfortable. All danger of the child pinching its fingers while handling has been eliminated. The Frame is made of 2" x 1" selected Northern Hardwood (properly seasoned) and finished in Varnish. It is securely riveted together, the corners being rounded and are re-inforced with steel brackets. The cover is laced on the frame and is removable, so that it can be laundered.
