"TELESCOPE" HARDWOOD FOLDING CHAIRS

MADE OF MAPLE AND BEECH STOCK — FINISHED IN VARNISH

Folded

No. 46 Chair

No. 48 Chair

Folds flat

A Non-Tipping Flat folding Chair, which folds easily and quickly. Stacks nicely.

Neat in appearance and practical in design. Very comfortable. Well constructed to give satisfactory service. No Glue used—machine riveted.

This chair is especially suitable for stout people, as there are no side rails to interfere with the seating capacity.

This is a full sized chair. Seat measures 13 inches x 14½ inches.

Made of the finest selected Hardwoods obtainable, properly seasoned. Rigid and sturdily built in every detail. Finished in high grade Varnish.

Heavy side posts 2¼ inches wide. Full sized chair. Seat measures 13¼ inches x 14 inches. Steel rod-
ded seat and back. Steel seat hinges used.

Neat in appearance, comfortable and practical. A Non-tipping, flat folding Chair, stacks evenly. Opens and folds with ease.

"DURA-BILT" HARDWOOD RENTAL CHAIRS

MADE OF MAPLE AND BEECH STOCK — FINISHED IN VARNISH

Folds flat

No. 47 Chair

No. 49 Chair

Folds flat

A well finished, full sized chair. Durably constructed and purposely designed to meet a popular demand for economical seating purposes. A real good value.

Heavy side posts $2\frac{1}{4}$ inches wide. Full sized chair. Seat measures $13\frac{1}{4}$ inches x 14 inches. Steel rod-ded seat and back. Steel seat hinges used.

A Non-Tipping Chair that folds flat quickly and stacks evenly. Built to give the utmost in comfort and consumer satisfaction.

This chair is built on most rigid lines of strength and durability. Heavy dowels used through-out. Non-tipping, folds flat and stacks evenly.

Heavy solid (slat-type) seat made flush on top and bottom. Seat measures $13\frac{1}{4}$ inches x 14 inches. This new method of construction positively reduces seat breakage to a minimum. Heavy steel rod is placed between the twin back stretchers at the point of greatest strain.

Unexcelled for storing and convenient for trucking and handling, as it folds to a measurement of $35\frac{1}{2}$ inches x 16 inches x $1\frac{1}{2}$ inches.
