"TELESCOPE" HARDWOOD FOLDING CHAIRS

MADE OF MAPLE AND BEECH STOCK — FINISHED IN VARNISH

No. 46 Chair

A Non-Tipping Flat folding Chair, which folds easily and quickly. Stacks nicely.

Neat in appearance and practical in design. Very comfortable. Well constructed to give satisfactory service. No Glue used—machine riveted.

This chair is especially suitable for stout people, as there are no side rails to interfere with the seating capacity.

This is a full sized chair. Seat measures $13\frac{3}{4}$ inches x 14 inches.

No. 45 Chair

This chair is designed for very hard usage. Northern hardwood, properly seasoned and extra heavy re-inforcing rods make this chair the sturdiest.

Rounded edge slats screwed to frame of seat can be easily replaced. Seat measures $13\frac{1}{4}$ inches x 14 inches.

Non-tipping, folds flat and stacks evenly. Unexcelled for storing and convenient for trucking and handling, as it folds to a measurement of $36\frac{1}{2}$ inches x $15\frac{3}{4}$ inches x $1\frac{1}{2}$ inches.
