**ECONOMY
HARDWOOD FOLDING CHAIRS**
MADE OF MAPLE AND BEECH STOCK — FINISHED IN VARNISH

No. 775 Chair
Folds Compactly with One Motion

This chair is of exceptional value and has proven to be a sensational fast selling promotional number. A very attractive, neatly designed one-motion folding chair for many diversified uses.

No. 776 Built-in Seat Chair
Folds Compactly with One Motion

A remarkably comfortable chair priced right. Has restful, sloping back and built-in reinforced seat. Well-styled in every respect. Folds with ease and stores away conveniently.

Frames of Northern Hardwood (Varnished) rigidly constructed and sturdy in every detail. Will withstand long and hard usage in-doors or out-of-doors. Coverings of serviceable canvas in colorful patterns.

MODERN FOLD-AWAY CHAIRS AND ROCKERS VARNISHED FRAMES

No. 680 Rocker
Folds easily and compactly

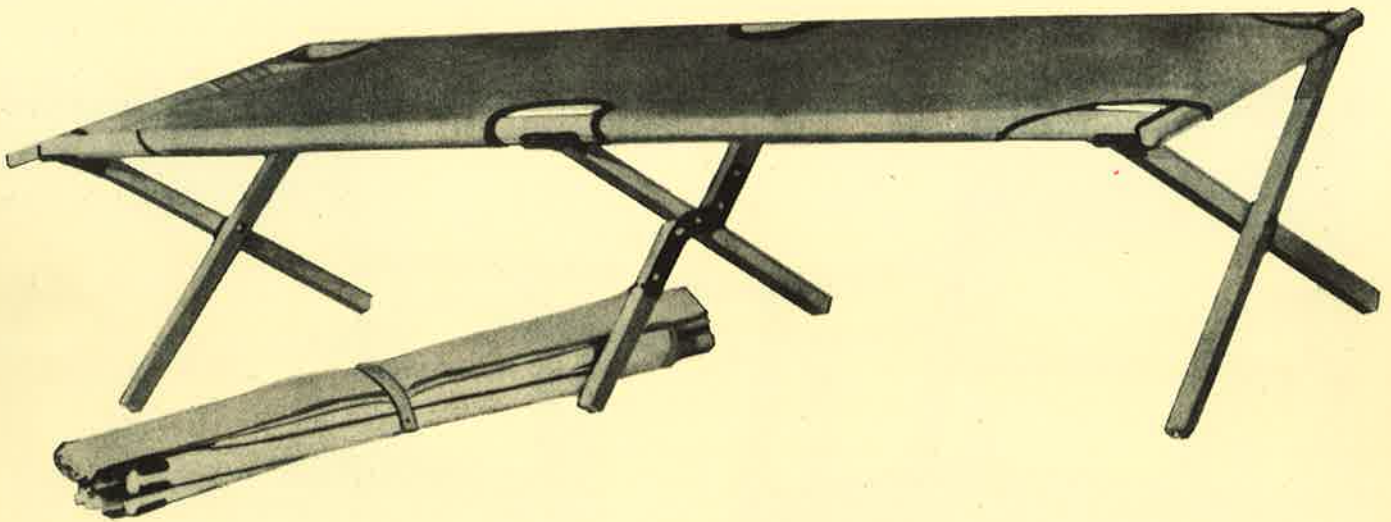

No. 780 Chair
Folds compactly with One Motion

No other folding arm chairs and rockers offer more genuine comfort than these new Telescope Fold-away Models. They embody the newest improvements in chair construction, and are full-sized.

The frames are made of Selected Northern Hardwood (properly seasoned) and Varnished. General construction — rigid and sturdy in every detail — Built-in seat doubly reinforced — also shaped panel back for added comfort. Coverings of good quality canvas in attractive patterns.

"TELESCOPE" HARDWOOD FOLDING CHAIRS

MADE OF MAPLE AND BEECH STOCK — FINISHED IN VARNISH

"Dura-bilt"

No. 46 Chair

A Non-Tipping Flat folding Chair, which folds easily and quickly. Stacks nicely.

Neat in appearance and practical in design. Very comfortable. Well constructed to give satisfactory service. No Glue used—machine riveted.

This chair is especially suitable for stout people, as there are no side rails to interfere with the seating capacity.

This is a full sized chair. Seat measures $13\frac{3}{4}$ inches x 14 inches.

No. 45 Chair

This chair is designed for very hard usage. Northern hardwood, properly seasoned and extra heavy re-inforcing rods make this chair the sturdiest.

Rounded edge slats screwed to frame of seat can be easily replaced. Seat measures $13\frac{1}{4}$ inches x 14 inches.

Non-tipping, folds flat and stacks evenly. Unexcelled for storing and convenient for trucking and handling, as it folds to a measurement of $36\frac{1}{2}$ inches x $15\frac{3}{4}$ inches x $1\frac{1}{2}$ inches.
