Let us take you with us on a camera's-eye tour, starting with (1) THE LOG TRUCK. THE SAW MILL is (2), then the DRY KILN (3) and various locations in the WOODWORKING DEPARTMENT where elaborate new machines are featured (4) (5) (6). METAL STAMPING (7). There is no substitute for the skilled hands in the SEWING ROOM (8). Two views of ASSEMBLY procedures are provided in (9) and (11). Heavy duty conveyor belts for PAINTING are shown in (10). Though INSPECTION is a multi-stage operation, a glimpse of this all-important function is pictured in (12). Final stages are (13) and (14), the PACKING AND SHIPPING DEPARTMENTS. From first to last, TELESCOPE production is quality-controlled for your protection.
