TELESCOPE *your primary source for both wood and aluminum*

58 Years OF MANUFACTURING SUMMER AND CASUAL FURNITURE

The many buildings which comprise the Telescope factory are situated in the heart of a rich timberland. Owing its own forests, Telescope appreciates the qualities of furniture hardwoods, uses only the best grades. The experienced Telescope craftsmen who live and work in Granville are equipped with the most modern metal and woodworking machinery, employ the newest mass production techniques. Is it any wonder, then, that Telescope has been synonymous with quality folding furniture for over half a century?

NATIONWIDE PUBLICITY

Telescope has become the most widely publicized outdoor line in America! High-readership stories—many with illustrations in color—have already appeared—and are scheduled to appear—in the country's top consumer magazines: LIVING FOR YOUNG HOMEMAKERS, HOUSE BEAUTIFUL, SEVENTEEN, BETTER HOMES & GARDENS, LADIES' HOME JOURNAL, PARENT'S, WOMAN'S DAY, HOME MODERNIZING GUIDE, AMERICAN HOME, BRIDE AND HOME! Tie-in with Telescope, the name your customers know and respect!

TELESCOPE RE-COVERS

The replacement market is big and profitable! Get your share by offering the genuine article—re-covers made by the chair manufacturer himself. Brightly packaged, TELESCOPE REPLACEMENT COVERS are available on all numbers. Check your price list for specific information.

MERCHANDISING AIDS

Free for the asking—a complete program of dealer helps designed to boost your sales of Telescope furniture at the point-of-sale: catalogs, glossy photographs, statement enclosures, newspaper mats, electrotypes, hang-tags. Inquire of your Telescope representative, or write directly to the Factory.
