THE TELESCOPE

FOLDING FURNITURE CO., INC.
GRANVILLE, NEW YORK 12833

The multi-building complex of the Telescope plant is constantly expanding. This year Telescope is constructing a completely automated sawmill and lumber stacking facility, plus an additional 30,000 sq. ft. of storage area for finished products. In the heart of a rich timberland, Telescope appreciates the qualities of furniture hardwood and selects only the best grades from its own forests. Mass production techniques, modern metal and woodworking machinery, operated by skilled Telescope craftsmen have made the name Telescope synonymous with 'Quality' for over 65 years.

Telescope Folding Furniture Company's large warehouse facilities, computerized order processing, in-stock units for quick delivery are all keyed to serve you, the customer, . . . in producing, shipping, a fine quality product .
