quality control

Telescope uses only the finest quality materials in its products. Our own testing laboratory, plus independent testing laboratories, insures quality standards and continuous product improvement. Our factory location in upstate New York, adjacent to the Vermont border, gives Telescope a skilled group of craftsmen.

Telescope's summer and casual furniture receives national publicity in many of the leading 'shelter' magazines, and its exposure on TV constantly reminds your customers of this leading national brand that is available from you. By choosing Telescope you tie in with a name your customers know and respect.
