

TELESCOPE '81

Telaweld™

Custom welded 7/8" high strength aluminum tubing with a baked on Sand or White finish. New rounded flared corners, sloped and rounded arm rests, and x-shaped braces compliment the flared legs. Cross strapping is individually attached and is of Virgin Vinyl . . . This light, airy looking group with its modified butterfly back design shows off a NEW direction in Casual Furniture by Telescope.

Quality Control

Telescope uses only the finest quality materials in its products. Our own testing laboratories, plus independent testing laboratories, insure quality standards and continuous product improvement. Our factory location in upstate New York, adjacent to the Vermont border, gives Telescope a skilled group of craftsmen.

Telescope's manufacturing plant, warehouse facilities, and executive offices are located in upstate New York, near the Vermont border. All Telescope furniture is manufactured here in this plant in Granville, New York. Selected Northern hardwoods from our own timberlands and nearby Vermont woodlands, are processed here, using mass production techniques and modern, automatic metal and woodworking machinery. Skilled Vermont and New York craftsmen have made the name 'Telescope' synonymous with Quality for over 70 years. Additional warehousing facilities, with selected products, are in St. Petersburg, Florida; Dallas, Texas; Los Angeles, California; and Waipahu, Hawaii.
