

TELESCOPE CASUAL

1991 COLLECTION

CANEEL BAY COLLECTION

The overwhelming response to the Caneel Bay Collection has prompted Telescope Casual to design four new and exciting pieces to expand this popular group. The new additions are a High Back Stacking Arm Chair, a High Back Two-Seat Glider, and a High Back Spring Chair and Ottoman. All are available in both white and bone frame finishes in a variety of seating patterns.

MARKET UMBRELLA

The Telescope Market Umbrella is so unique it's patented. The covering is 100 % colorfast Sunbrella® fabric that gives total protection from the sun. Removes easily for machine washing. Frame is made entirely of solid oak, handsomely finished with a clear polyurethane varnish. All metal parts are either solid brass or aluminum so there will be no rusting... ever. Every part is easily replaceable for a lifetime of outdoor pleasure.

CANVAS PADDED COVERS

#220 Natural

- 1" thick padded seat and back
- Natural or blue heavyweight canvas

#203 Blue

- Water and mildew resistant
- Sunfast and quick drying

- Slip on easily, no tools needed
- Fit all Telescope director chairs

- Water repellent and mildew resistant canvas covers, custom dyed in the U.S.A. with the finest vat dyes available

- Chair folds compactly, arm assembly folds down flat, packs easily

- Quality standards maintained and improved by independent lab testing and our own testing facilities

- Finished round cross leg braces nailed securely in heavy, shaped legs

- Self-leveling plastic glides prevent marring of floors

- Non-sag back feature

- Arms shaped and sanded by hand for maximum comfort

- Slip-on seat and back, no tools needed

- Heavy-duty, corrosion-resistant steel braces and hinges

- Frames constructed from selected kiln-dried North American hardwood

SILK SCREENED COVERS

Logos, designs, insignias, trademarks or company, college or school names in one, two, three or more colors. Black and white camera-ready artwork of good quality is required, photocopies are not acceptable. Minimum order 24 pieces.

SEWN SCRIPT

George

Custom sewn script on canvas cover backs. Single names are recommended. Up to 12 letters on one line. Two lines are permissible, but lettering is much smaller. Black or white thread is used.

FLOCKED BLOCK APPLIQUE LETTERING

Single letters are heat sealed to form names or words, nine letters per line permitted. Available on canvas only. 2 1/4" high letters. White letters on dark colored canvas, black letters on light colored canvas.

CELEBRITY

Beautifully crafted of select North American hardwood, the Celebrity director chair is a functional and attractive addition to any setting. Choose from three frame finishes and a wide selection of covers.

Pattern 2 Bone
Pattern 5 White

19 Powder Coat Aluminum Base
Pattern 2 Bone
Pattern 5 White

13 Weighted Patio Base
Pattern 2 Bone

#18 Molded Plastic Base
Pattern 5 White

LIMITED 15 YEAR WARRANTY

If your Telescope powder-coated frame fails structurally during normal usage within 15 years from the date of purchase, we will repair, refinish or replace the frame without charge, parts and labor included. (In the case of discontinued models or finishes, we will replace the item with the closest comparable current model.) The finish is warranted against peeling, cracking or blistering for a period of 3 years from the date of purchase.

Not included in our "powder-coat" warranty are table tops, umbrellas, terrace shells & market bases, wood furniture, cushions, slings and folding aluminum furniture. These products are warranted for one year to be free of manufacturing defects. Our cast iron market base, if not properly maintained, will rust if the finish is scratched through to the metal. If this occurs, it must be touched up with an acrylic based paint.

The natural weathering of wood finishes, breakage of glass, fading, staining and mildewing of fabrics, slings and strapping or the compression of cushion fillings and the rusting of market bases are not covered under warranty.

This warranty does not cover the failure of furniture which, in our opinion, was caused by acts of God, or by unreasonable or abusive use, and is void if our care and maintenance instructions were not properly followed.

Furniture used in a commercial setting is not warranted unless it is specifically designated for commercial use as noted by a CQ (commercial quality) in our price list, in which case it is warranted for one year from the date of purchase.

Furniture stored outside or in other cold storage should be drained of any water. If allowed to freeze inside the furniture, water can damage the tubing. Such damage is not covered under our product warranty.

To obtain service, contact our Customer Service Department in writing, stating the problem and providing proof of purchase. A Return Merchandise Authorization will be sent to you giving instructions for returning items if necessary. No returns will be accepted by our factory without prior written authorization from our Customer Service Department. After authorization is received, your furniture must be returned to the factory in proper packaging, freight prepaid.

This warranty applies only to furniture manufactured by Telescope Casual Furniture Inc. after September 1, 1986. This warranty is in lieu of any other warranty, expressed or implied by law.

CARE & MAINTENANCE

Acrylic Fabrics

Most stains are removed easily with mild soap and water. For stubborn stains, such as blood or suntan lotion, soak the fabric for a few minutes in a mild solution of bleach, soap and water. Rinse thoroughly and allow to air dry. Always follow the directions on your laundry products when mixing bleach and detergent. Continued use of chlorine bleach will remove the stain repellent quality added to the fabric during manufacture. You may choose to spray the fabric with Scotchgard® after washing.

Telaweave® Vinyl Mesh

Soak the entire fabric or cushion in a mixture of water and detergent. A small amount of chlorine bleach may be added, paying strict attention to directions of the manufacturer of your laundry products. Rinse thoroughly. Hint: When used in a pool location, allow your cushion or fabric to soak in the pool before washing. The chlorine in the pool water is usually enough to remove most stains.

Aluminum Frames

Powder-coat finished aluminum is a bonded integral part of the frame and carries our limited warranty. Soft Scrub® or other comparable product is excellent for removing scuff marks or scratches. The frame should be waxed with any automotive wax once or twice a season to maintain its luster and beauty. Wax will also make washing and cleaning a breeze.

Winter Maintenance

Furniture stored outside or in other cold storage should be drained of any water. If allowed to freeze inside the furniture, water can damage the tubing.

CUSTOMER SERVICES

For information on routing, tracing and shipping lines, please contact the Telescope Traffic Department.

To place or check on orders, inquire about shipping dates or to have your Telescope Sales Representative visit you, please contact the Telescope Customer Service Department.

For advertising needs, black and white glossies, line drawings and other promotional materials, please contact the Telescope Advertising Department.

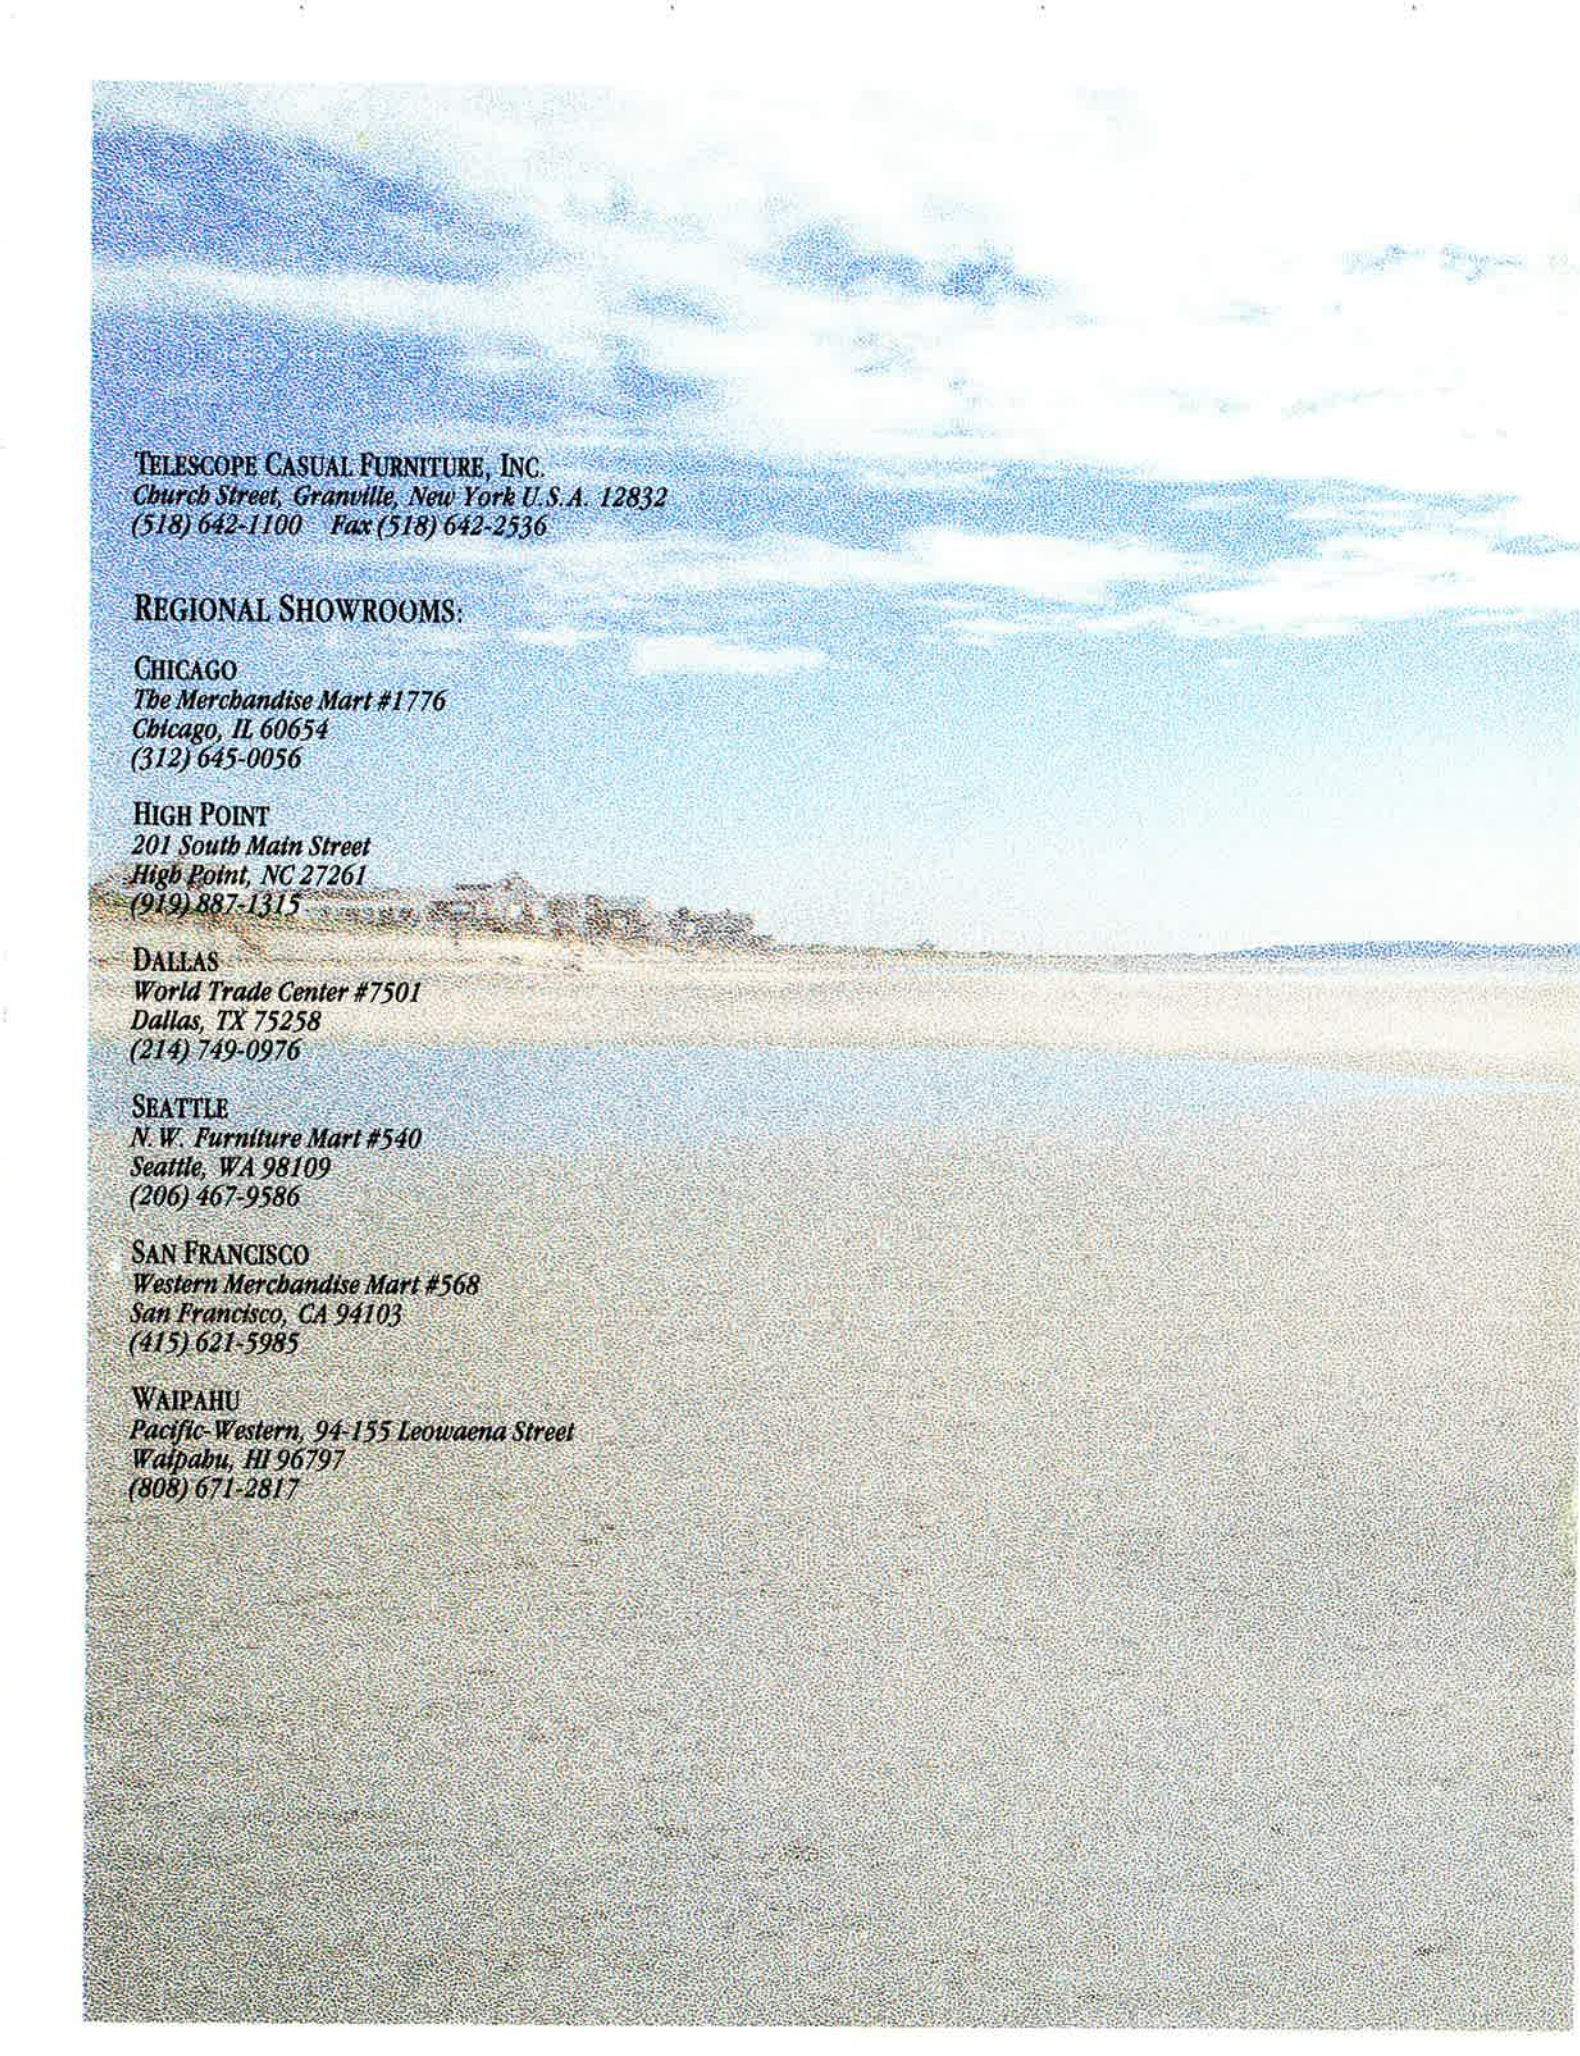

For premium and incentive information, please contact the Telescope Premium Sales Department.
