CANEEL BAY COLLECTION

Basking in the warmth of the summer sun one can appreciate the chaise beneath that cradles them in comfort. As synonymous as the sun is to warmth, so is the Caneel Bay Collection to comfort and style. On the patio, deck or simply placed at poolside, this elegant furniture is made to Telescopes rigid and ever increasing quality standards. Caneel Bay offers generous seating comfort and a distinctively graceful, free-flowing design.

GARDENELLA COLLECTION

Clearly styled, affordably priced, the Gardenella Collection continues to be America's preference. Gardenella's superior strength and stacking capabilities are but two of the many advantages inherent to this sun-loving group. Light and breezy, cool and comfortable... Gardenella's simple practicality has made this collection an outstanding summer favorite.

WINDHAM STRAP COLLECTION

Celebrate the good life with Telescope's Windham Strap Collection. Designed to comfort you like fine furniture should, Windham's sleek, stylish and eye-catching elegance graces any outdoor setting. Create your own distinctive look with any of Windham's eight strap patterns on white or bone frame colors.

A woman is sitting at a round outdoor table with a striped umbrella, overlooking a lake. The table is set with plates, glasses, and a small vase. The umbrella has a green and white striped pattern. The chairs are white with green slats. The background shows a calm lake with a small boat in the distance and a dark shoreline under a blue sky with some clouds.

DECK & DOCK UMBRELLA

Fashioned after the popular Market Umbrella, this smaller version is perfect for any outdoor setting. Choose from five very popular Dacron cover colors.

- Upper & lower estate poles are made of 1 1/2" dia. solid oak.
- Patented design folds compactly and gives aerodynamic resistance to flying or lifting in moderate winds.
- Cover snaps on and off for easy cleaning.
- Cover is machine washable and may be machine dried at a cool setting. See Care and Maintenance for complete information.
- All wood ribs are made of solid oak immersed in high quality urethane.
- Use freestanding or through an umbrella table.
- Perfect for poolside, on a boat, deck or even on the beach.
- All parts are guaranteed for one year. see the ("Made in the Shade" guarantee).
- Upper & lower hubs are made of high density, high impact plastic.
- Manufactured in the United States of America.
- Powder coated deck & dock umbrella features a crank and tilt mechanism.
- Protective white finish allows a perfect color match with other outdoor furniture.
- Handsome design and solid construction provides a beautiful alternative to standard drape umbrellas.
- Heavy duty aluminum frame is protected with Telescope's durable polyester powder coat finish.
- Two part pole construction makes it easy to transport.
- Every part is easily replaceable for a lifetime of use.
- #17 Cast Iron Base (65 lb.) recommended for freestanding or under table.

MARKET UMBRELLA

The Telescope Market Umbrella is so unique it's patented. The Solid Oak Market Umbrella is made entirely of solid oak handsomely finished with a clear polyurethane varnish. All metal parts are either solid brass or aluminum so there will be no rusting...ever. Made of heavy duty aluminum, the Powder Coated Market Umbrella is lightweight and extremely strong and features a convenient crank and automatic tilt mechanism. Both umbrellas are available in a choice of eleven machine washable Sunbrella covers that offer total protection from the sun.

- 
- Patented design folds compactly and gives aerodynamic resistance to flying or lifting in moderate winds.
 - All wood-ribs are made of solid New England oak immersed in high quality urethane varnish.
 - All metal parts are made of either solid brass or aluminum so there will be no rusting...ever.
 - Every part is easily replaceable for a lifetime of use and pleasure.
 - Use freestanding or through umbrella table.
 - The upper and lower hubs are molded in high density, high impact plastic for easy sliding and durability.
 - Lower estate pole is tapered to 1 1/2" dia. to fit into most patio tables and bases.
 - Heavy duty, 1-5/8" dia. solid oak pole.
 - #17 Cast Iron Base (65 lb.) recommended for freestanding or under table.
 - Manufactured totally and solely in the United States of America.

LIMITED 15 YEAR WARRANTY

If your Telescope powder-coated frame fails structurally during normal usage within 15 years from the date of purchase, we will repair, refinish or replace the frame without charge, parts and labor included. (In the case of discontinued models or finishes, we will replace the item with the closest comparable current model.) The finish is warranted against peeling, cracking or blistering for a period of 3 years from the date of purchase.

Not included in our "powder-coat" warranty are table tops, umbrellas, terrace shells & market bases, wood furniture, cushions, slings and folding aluminum furniture. These products are warranted for one year to be free of manufacturing defects. Our cast iron market base, if not properly maintained, will rust if the finish is scratched through to the metal. If this occurs, it must be touched up with an acrylic based paint.

The natural weathering of wood finishes, breakage of glass, fading, staining and mildewing of fabrics, slings and strapping or the compression of cushion fillings and the rusting of market bases are not covered under warranty.

This warranty does not cover the failure of furniture which, in our opinion, was caused by acts of God, or by unreasonable or abusive use, and is void if our care and maintenance instructions were not properly followed.

Furniture used in a commercial setting is not warranted unless it is specifically designated for commercial use as noted by a CQ (commercial quality) in our price list, in which case it is warranted for one year from the date of purchase.

Furniture stored outside or in other cold storage should be drained of any water. If allowed to freeze inside the furniture, water can damage the tubing. Such damage is not covered under our product warranty.

To obtain service, contact our Customer Service Department in writing, stating the problem and providing proof of purchase. A Return Merchandise Authorization will be sent to you giving instructions for returning items if necessary. No returns will be accepted by our factory without prior written authorization from our Customer Service Department. After authorization is received, your furniture must be returned to the factory in proper packaging, freight prepaid.

This warranty applies only to furniture manufactured by Telescope Casual Furniture Inc. after September 1, 1986. This warranty is in lieu of any other warranty, expressed or implied by law.

CARE & MAINTENANCE

Acrylic Fabrics

Most stains are removed easily with mild soap and water. For stubborn stains, such as blood or suntan lotion, soak the fabric for a few minutes in a mild solution of bleach, soap and water. Rinse thoroughly and allow to air dry. Always follow the directions on your laundry products when mixing bleach and detergent. Continued use of chlorine bleach will remove the stain repellent quality added to the fabric during manufacture. You may choose to spray the fabric with Scotchgard® after washing.

Telaweave® Vinyl Mesh

Soak the entire fabric or cushion in a mixture of water and detergent. A small amount of chlorine bleach may be added, paying strict attention to directions of the manufacturer of your laundry products. Rinse thoroughly. Hint: When used in a pool location, allow your cushion or fabric to soak in the pool before washing. The chlorine in the pool water is usually enough to remove most stains.

Aluminum Frames

Powder-coat finished aluminum is a bonded integral part of the frame and carries our limited warranty. Soft Scrub® or other comparable product is excellent for removing scuff marks or scratches. The frame should be waxed with any automotive wax once or twice a season to maintain its luster and beauty. Wax will also make washing and cleaning a breeze.

Winter Maintenance

Furniture stored outside or in other cold storage should be drained of any water. If allowed to freeze inside the furniture, water can damage the tubing.

CUSTOMER SERVICES

For information on routing, tracing and shipping lines, please contact the Telescope Traffic Department.

To place or check on orders, inquire about shipping dates or to have your Telescope Sales Representative visit you, please contact the Telescope Customer Service Department.

For advertising needs, black and white glossies, line drawings and other promotional materials, please contact the Telescope Advertising Department.
