As shown at right,
Telescope's
aluminum furniture is
welded together
to assure
lasting quality and
durability for a
lifetime of use.
Telescope is very
involved in protecting
the environment. We
maintain our own
forests of beech, birch,
maple and oak trees
that are used for our
quality hardwood
furniture.
Careful planning has
been done in
regenerating our
woodlands for many
generations to come.
Telescope has its own
logging and planing
mill at its factory in
Granville, New York.

We pride
ourselves on
our talented
craftsmen.
Our famous
Director
Chairs and
Koala
Collection are
hand crafted.
They are
hand sanded
and hand
assembled,
assuring our
highest
standard of
quality control.

Telescope's Handcrafted Quality

Quality has many facets at Telescope: 1. The baked-on powder coated spray painting of our aluminum furniture. 2. One of our many sales representatives ready to take your order or offer assistance. 3. Our fully computerized resource planning and control system. 4. Our new computerized shipping system, allowing you a faster turn-a-round time with your orders.

Telescope takes pride in the fact that it has been a family owned business for over 90 years, providing AMERICAN MADE casual furniture the world over. Within these 90 years, Telescope has built a reputation for creating the finest quality leisure furniture available anywhere.

Telescope offers the highest quality craftsmanship in our folding furniture and World Famous Director Chair series, plus a full line of award winning design collections in cushion, strap and sling furniture.

We are a self-sufficient operation, starting from the raw materials of our own 24,000 acre environmentally managed land preserve, to the end product in the showroom.

We operate from a 650,000 square foot plant in upstate New York. Our rich heritage of talented craftsmen, along with a state-of-the-art production system, offers you the finest products available in casual furniture.

We are also fully computerized to assure you of fast delivery. Our in-stock UPS-able items can be shipped from the factory within 24 hours. Our knowledgeable and professional sales representatives will be able to take your order and assist you with any questions you may have.

The Vineyard Collection

Telescope takes great pride in introducing its **New** wrought aluminum garden collection. It is an elegantly designed collection offering classic lines with flowing curves and graceful scrolls. This full collection comes in durable powder coated colors of green, white or a textured antique black.

It offers a large assortment of fabric designs to enhance any decor. This elegant, yet durable, collection is ideal for indoors or out.

Photo on opposite page: This green garden collection is shown with a 48" glass table and 4 matching arm chairs. The insert picture offers the garden chairs with a Two-Seater Settee and Coffee Table. Both are accented with cushion pattern #952 Cabot.

Arm Chair

Vineyard Garden Collection

This elegant yet durable wrought aluminum garden collection is made to last a lifetime. The solid wrought aluminum bars are welded for superior strength and durability. The seats are cross hatched with strong vinyl strapping that is weather resistant and easy to clean.

Warranty and Services

Warranty

If your Telescope powder-coated frame fails structurally during normal usage with 15 years from the date of purchase, we will repair, finish or replace the frame without charge, parts and labor included. (In the case of discontinued models or finishes, we will replace the item with the closest comparable current model.) The finish is warranted against peeling, cracking or blistering for a period of 3 years from the date of purchase.

Not included in our "powder-coat" warranty are table tops, umbrellas, terrace shells and market bases, wood furniture, cushions, slings and folding aluminum furniture. These products are warranted for one year to be free of manufacturing defects. Our cast iron market base, if not properly maintained, will rust if the finish is scratched through to the metal. If this occurs, it must be touched up with an acrylic based paint.

The natural weathering of wood finishes, breakage of glass, fading, staining and mildewing of fabrics, slings and strapping or the compression of cushion fillings and the rusting of market bases are not covered under warranty.

This warranty does not cover the failure of furniture which, in our opinion was caused by acts of God, or by unreasonable or abusive use, and is void if our care and maintenance instructions were not properly followed.

Furniture used in a commercial setting is not warranted unless it is specifically designated for commercial use as noted by a CQ (commercial quality) in our price list, in which case it is warranted for one year from the date of purchase.

Furniture stored outside or in other cold storage should be drained of any water. If allowed to freeze inside the furniture, water can damage the tubing. Such damage is not covered under our product warranty. To obtain service, contact our Customer Service Department in writing, stating the problem and providing proof of purchase. A Return Merchandise Authorization will be sent to you giving instructions for returning items if necessary. No returns will be accepted by our factory without prior written authorization from our Customer Service Department. After authorization is received your furniture must be returned to the factory in proper packaging, freight prepaid.

This warranty applies only to furniture manufactured by Telescope Casual Furniture, Inc., after September 1, 1986. This warranty is in lieu of any other warranty, expressed or implied by law.

Custom Designs

In quantities of 50 chairs or more, Telescope will silk screen the customer's artwork on the backs of our famous beach chairs or Deck & Dock Chairs.

The following charges are added to the #741 Mini-Sun Chaise, #734 Sun & Sand Chair, or the #170 Deck & Dock Chair:

\$60 Net for one screen, one color printing (One time charge)

\$50 Net for each additional color (One time charge)

A printing charge of \$.50 per color, per cover will be added to the screen cost. All re-orders will require a \$10 net set-up charge. We will store customer screens for a maximum of two years from the date of customer's last purchase. Dacron polyester fabric is available in Navy, Red, Lakeside Blue, Tan, Teal, Royal Blue and Forest Green. Order requirements: Minimum order is 50 chairs. Delivered quantities must be flexible by plus or minus 5% (for example, an order of 300 chairs must be flexible from 285 to 315 chairs). We require 50% deposit on all custom orders. Camera ready artwork must be provided by the customer. Allow 4 to 6 weeks delivery time. Reproductions of trademarks require written approval by owner or licensee.

CUSTOMIZED DIRECTOR CHAIRS

No expensive set up charges or minimum quantities for this fully computerized full color production system. Send a quality photograph with the copy you want printed on the cover. Telescope offers 4 type styles plus white, black, red, blue or gold for text color. Designs can be put on any canvas cover.

Care & Maintenance

SOLUTION DYED ACRYLIC FABRICS (Solids and Stripes)

For most stains use mild soap and water. For stubborn stains, soak the fabric for a few minutes in a mild solution of bleach, soap and water. Mildew stains can be removed with a solution of one cup bleach plus two capfuls of Ivory Liquid. You may wish to spray the fabric with Scotchguard after washing.

ACRYLIC & POLYESTER PRINTS

For common dirt, spot wash with a soapy solution of Ivory Liquid in lukewarm water. Rinse and allow to air dry. **DO NOT USE BLEACH OR HARSH DETERGENTS. DO NOT PLACE IN DRYER.**

PVC/ACRYLIC BLENDS

Wash with a soapy water solution. Do not use pineoil cleaners. For stubborn stains, a small amount of chlorine bleach may be added.

TELAWEAVE MESH

Soak the entire fabric with a mixture of water and detergent. A small amount of chlorine bleach may be added.

OLEFINS

Use a mild detergent and water. Chlorine bleach may be used on stubborn stains.

ALUMINUM FRAMES

Powder-coat finished aluminum is a bonded integral part of the frame and carries our limited warranty. Soft Scrub* or other comparable product is excellent for removing scuff marks or scratches. The frame should be waxed with any automotive wax once or twice a season to maintain its luster and beauty. Wax will also make washing and cleaning a breeze.

WINTER MAINTENANCE

Furniture stored outside or in other cold storage should be drained of any water. If allowed to freeze inside the furniture, water can damage the tubing.

Advertising & Promotions

We have available to our dealers Mini-brochures for consumer awareness, line drawings for newspaper advertising, black and white glossies (photos) for news stories and color transparencies for catalogs and magazines. We participate in many trade shows and refer consumers that call from our extensive national advertising campaigns, to the nearest dealer
