95 Years Of American Made Quality

Ever wonder how Telescope got its name? Or how it became synonymous with quality products at a great price? Telescope, a family-owned business for 95 years, first produced a rugged army cot that was light and compact, and easy for patriotic troops to carry with their supplies. Veterans of World Wars I and II, these cots had sturdy legs that *telescoped* into themselves for streamlined efficiency.

From these humble beginnings an American tradition was born. (In fact, the Government was so impressed with the durability of these cots that Telescope was awarded a medal for distinguished service to the United States of America!) Since then the tradition has grown and flourished. Our product line has expanded, but great quality and great prices have remained the keys to our success. Now Telescope is focused on a world of leisure.

The pride of producing handcrafted furniture goes into every item we make. Telescope offers anything you could want for a dream day outdoors.

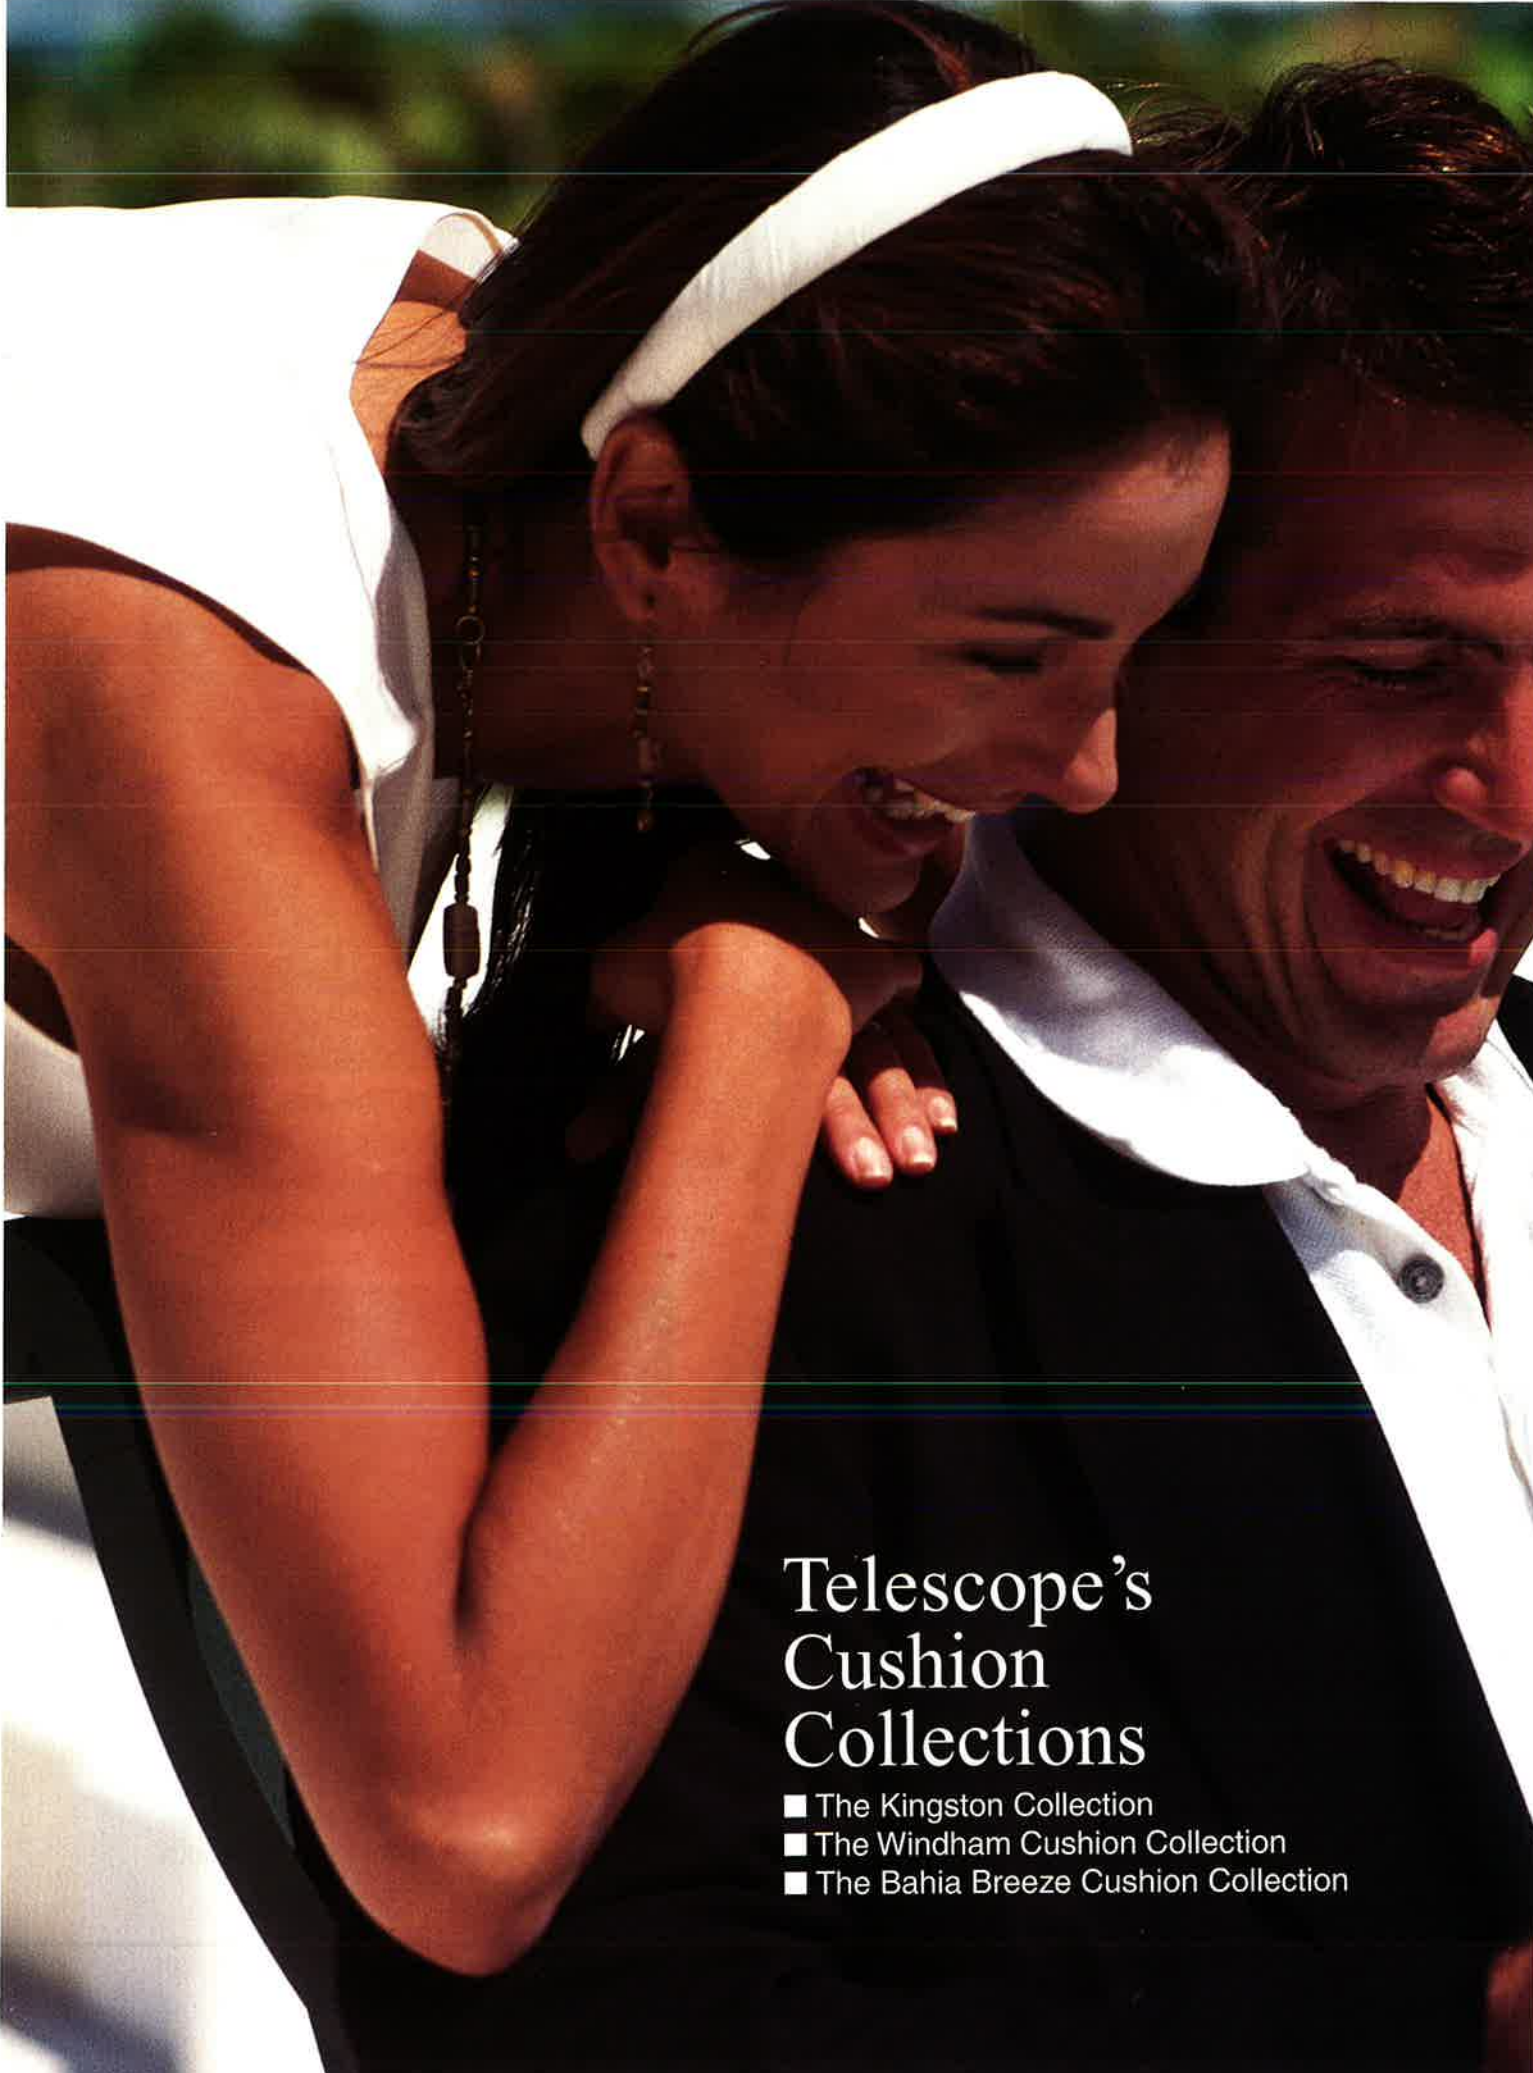

No-hassle cushions or slings. Tables, chairs and accessories in white, ivory, green, black or sandstone. Serving carts, plant stands. Rocking chairs, gliders. Settees and ottomans. Some traditional, some contemporary. But despite our wide selection, you can count on one thing we consider straight and narrow...**QUALITY**. It is important to us to make the finest, most reliable leisure furniture available.

Take a look at Telescope. See the pride and quality that goes into every item we make. Explore our dynamic designs and attention to detail. Imagine how our stunning fabrics will look in your backyard.

Read through our extensive warranty program. Then look at the price. Our value will convince you. Telescope fills your needs...and much, much more.

A close-up photograph of a man and a woman laughing together outdoors. The woman, on the left, is wearing a white headband and a dark top, leaning her head against the man. The man, on the right, is wearing a white polo shirt and has a joyful expression. The background is a soft-focus green, suggesting a park or garden setting.

Telescope's Cushion Collections

- The Kingston Collection
- The Windham Cushion Collection
- The Bahia Breeze Cushion Collection

fabric features #527 Summer Garden

fabric features #20 Natural

fabric features #560 Desmond

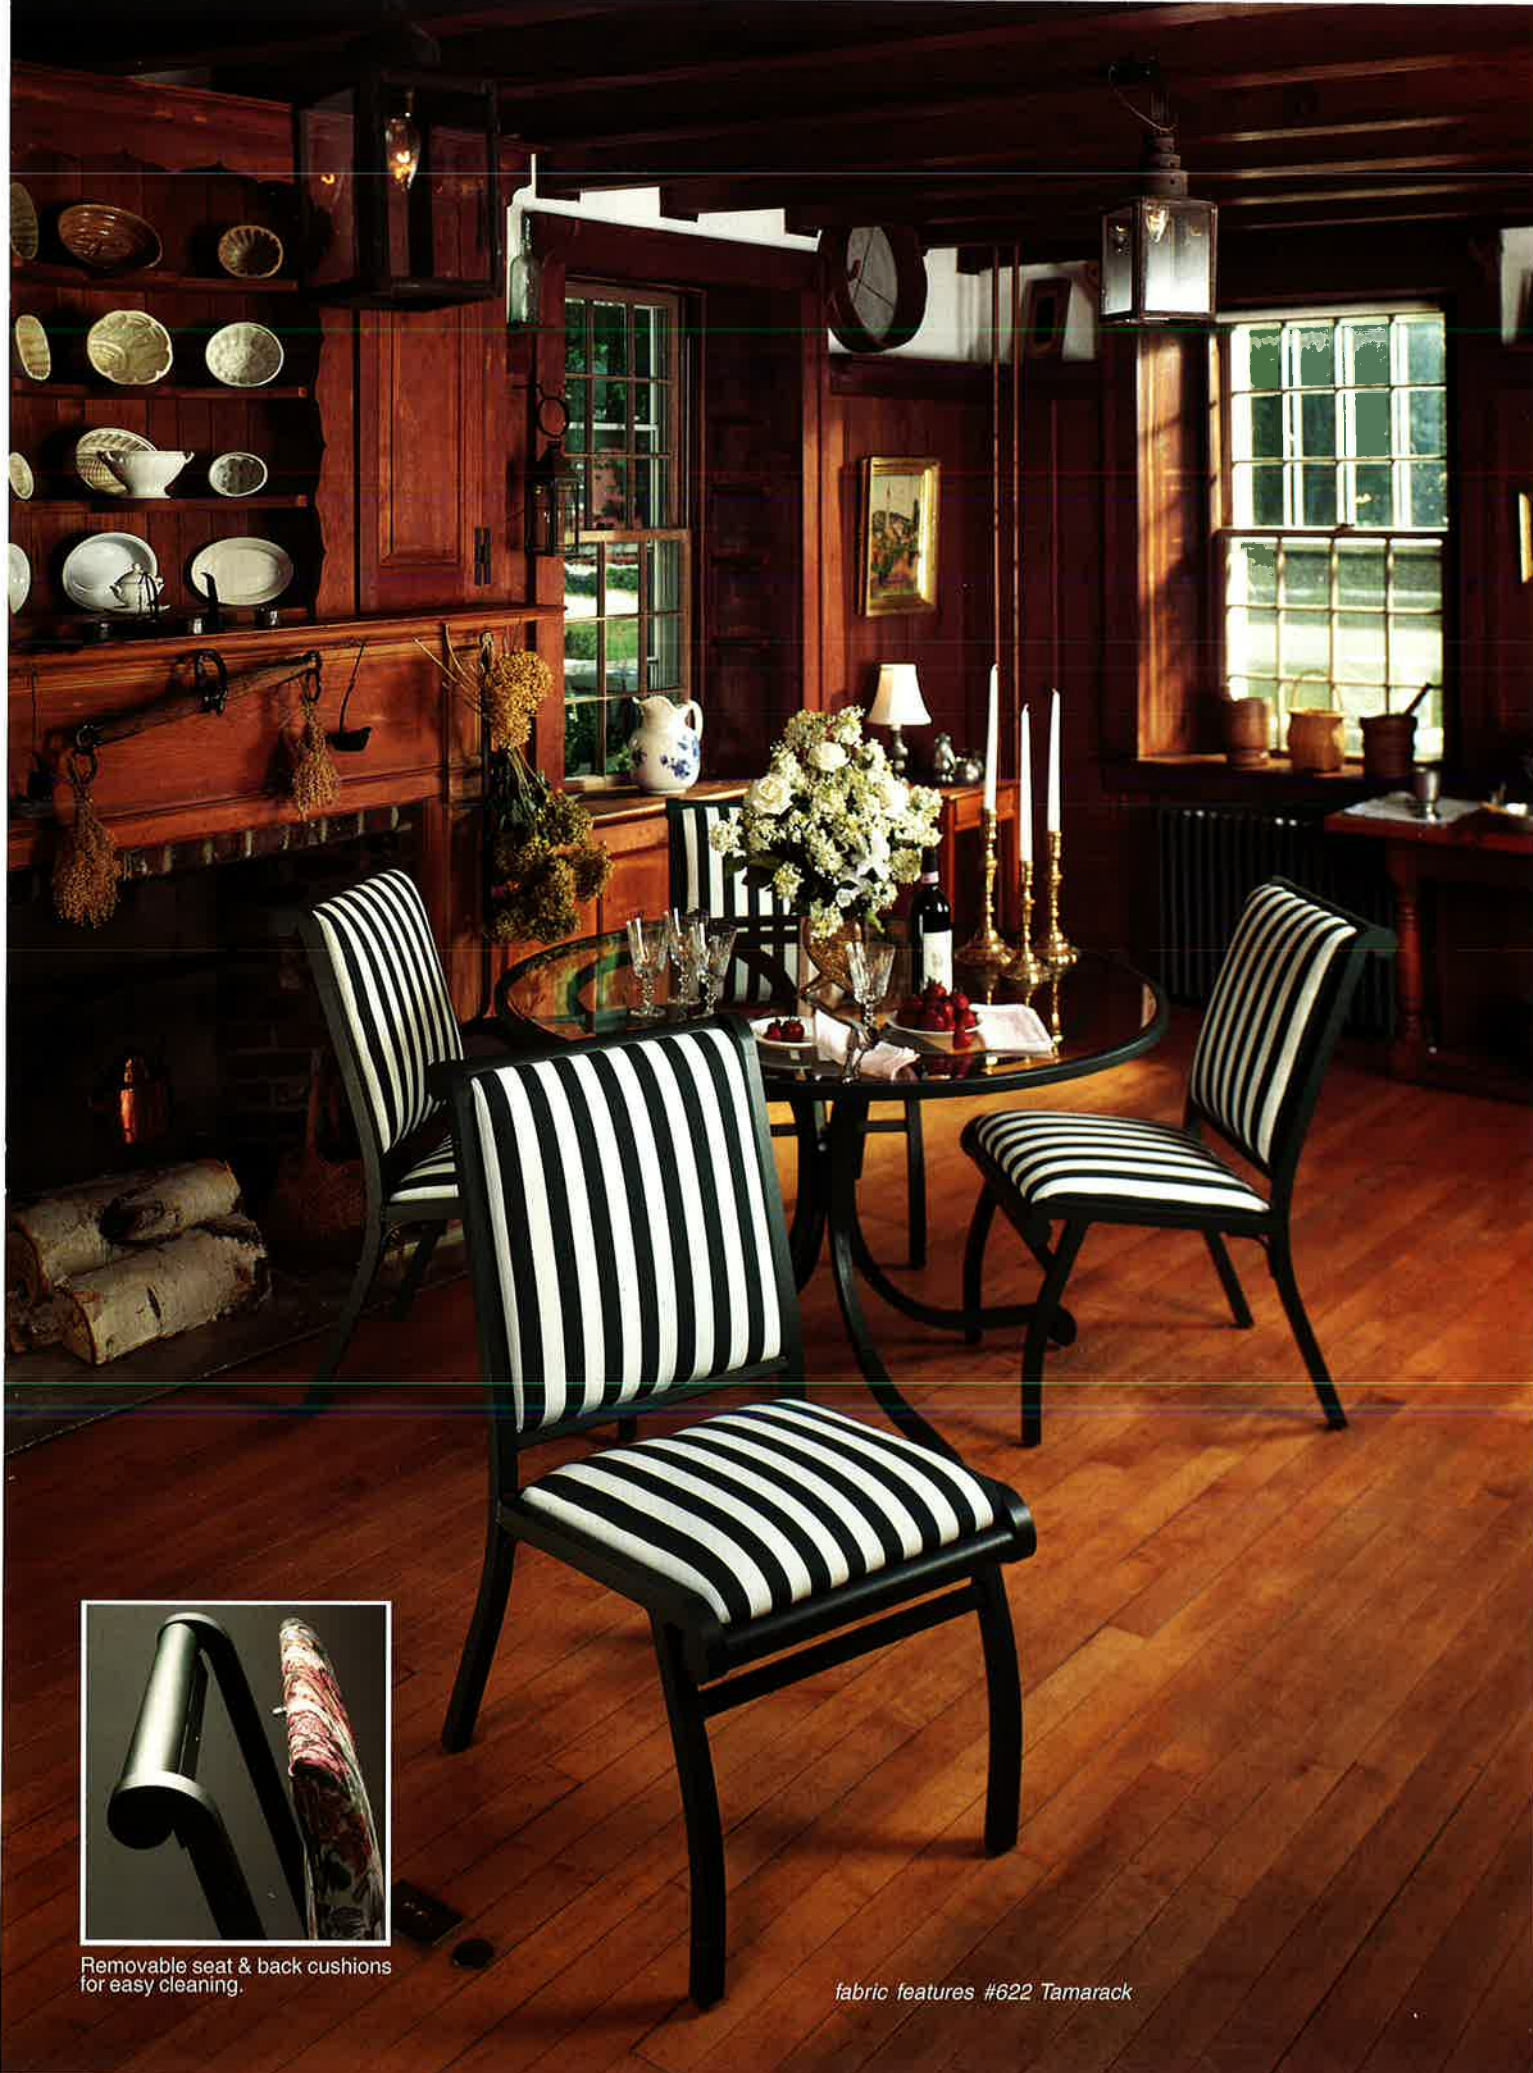

The Kingston Collection

Kingston is substantial and straightforward, yet simply stunning. This collection is a sheer pleasure to enjoy. There is nothing pretentious or overstated about this chair. Perfect in any setting, Kingston's solid, stoic beauty is sure to please.

Its innovative design combines both extruded and solid aluminum, giving this group added weight and a distinctiveness all its own.

Kingston's removable upholstered cushions are luxurious and tailored for years of use.

Removable seat & back cushions
for easy cleaning.

fabric features #622 Tamarack

The Bahia Breeze Cushion Collection

Bahia Breeze is a dream come true!

This fun-loving sun group is full of character and loves to entertain.

Bahia Breeze has thick, cozy cushions that attach to our powder coated aluminum frames with easy to attach fabric tabs.

Rain and water are never a problem.

We use our unique "Rain-thru" padding in all cushions so they dry quickly, resist mildew, and keep their shape.

Bahia Breeze cushions are comfortable and care-free, and they clean up in a snap.

Market Umbrellas

Telescope is proud to introduce its New Easy Lever-Lift that locks into place automatically when the umbrella is opened. This truly creative new mechanism takes the hassle out of opening and closing your market umbrella. This New Lever is offered on both our wood and aluminum framed umbrella. Our strong support ribs are designed so the fabric sets off the ribs, to reduce abrasion from the wind. The cover snaps on and off and is machine washable. All our market umbrellas come with an easy push button tilt mechanism. The metal parts are either solid brass or aluminum so there is no rust...ever. Telescope offers three convenient market umbrella sizes in 8ft., 9ft., and 10ft. diameters.

Our New Easy Lever-Lift lets you open and close your umbrella with ease.

Our strong support ribs are designed so the fabric sets off from the rib, plus the fabric snaps on and off for easy machine washing.

10ft. Market Umbrella

9ft. Market Umbrella

8ft. Market Umbrella

The Telescope Market Umbrella is so unique it's patent-pending. The Ash Market Umbrella and Powder-Coated Aluminum Market Umbrella are designed to be the perfect addition to any casual setting. The Powder Coated Umbrella has an extremely durable baked on polyester finish. The Wood Umbrellas are varnished for long lasting protection. Use freestanding or with an Umbrella Table. The 9ft. and 10ft. Market Umbrellas are offered with or without vent.

Fabric Selection

The fabrics shown on the next 3 pages represent our stock selection of fabrics and frame colors for each powdercoated collection. They are produced for our extensive line of quick ship merchandise. All in stock quick ship merchandise will be shipped within 10 working days from receipt of credit approved order. You have the option of creating a custom powdercoat collection by choosing any fabric on the 6 pages 63-68 subject to the following conditions: The fabric must be suitable for the application (see the key below). You must use the standard stock frame colors for each collection specified in preceding pages of this catalog. Director Chairs and all silver aluminum furniture are excluded from this program. There is no minimum quantity. Allow 4 to 6 weeks for shipment.

Tables

Telescope umbrella tables feature a strong aluminum banded table rim and leg assembly with a durable baked on polyester finish in white, ivory, sandstone, green, or antique black. The knock-down (KD) feature of our tables provides efficient storage as well as easy assembly. Plastic glides on all legs help to protect the deck or patio surface. The glass used in our tables is tempered for extra strength. A plastic umbrella hole protective ring and plug are included.

Features of Telescope's Quality Furniture

Care & Maintenance

Solution Dyed Acrylic Fabric

(solid and stripes)

Spot wash dirt with lukewarm water and a mild soap. Rinse thoroughly with clean water, then air-dry. To clean mildew stains, in a ventilated area, prepare a mild solution of one cup bleach plus two caps full of a natural soap per gallon of water. Spray the entire area, and scrub vigorously if necessary. You may wish to spray the fabric with Scotchguard after washing.

Acrylic and Polyester Print Fabrics

A soapy solution of Ivory Liquid and lukewarm water will remove common dirt. DO NOT USE BLEACH OR OTHER HARSH DETERGENTS. DO NOT PLACE IN DRYER.

PVC/Acrylic Blend Fabrics

Dirt can be removed with a soapy solution of warm water and Ivory Liquid. Do not use pine cleansers. Rinse and allow to dry.

Telaweave Mesh Fabrics

Soak the entire area with warm water and detergent. A small amount of chlorine bleach can be added to remove stubborn stains.

Olefin Fabrics

Use mild detergent such as Ivory Liquid and water. Chlorine bleach can be used on stubborn stains.

Aluminum Frames, including Powder-Coat

To keep furniture looking new, use Soft Scrub or similar non-abrasive products to remove scuff marks and scratches. Non-textured frames should be waxed once or twice a year with an automotive paste wax to maintain luster. Wax will make washing and cleaning easier. Do not use paste wax on textured finishes. Instead use lemon oil for protection and natural soap and water for cleaning.

PVC Strap Furniture

Telescope Straps can be cleaned using a soapy solution of warm water and Ivory Liquid. Hose down to rinse and DO NOT USE pine oil cleansers or harsh abrasives. Straps can be easily replaced by the consumer by heating the strap

in hot water and pinning it to the frame while hot. As the straps cool down, they will shrink for a snug fit.

Winter Maintenance

Furniture that will be stored outside or in other cold areas should be drained of any water to avoid ice damage in the tubing.

Telescope Quality

Telescope offers five frame colors utilizing a polyester powder coating process which bakes the finish permanently in place at 450 degrees Fahrenheit. Once this finish "cures" it becomes extremely durable, resistant to scratching, chipping and peeling. Our black, green, ivory and sandstone finishes are offered in popular textures, while, traditionally, our white remains a brilliant, glossy, pure white.

Telescope designs and specifies all of its own aluminum extrusions to precisely match the characteristics needed for each application. These include aesthetics, strength, stiffness, "bendability," and cost. In this way, Telescope can pass along the maximum value possible to its customers. And since Telescope's products are made almost exclusively with aluminum, our products will remain virtually rust-free, forever.

Telescope products are welded together using either the MIG (metal inert gas) process or the TIG (Tungsten inert gas) process, depending on the particular application. Both processes have their own distinct advantages and, once again, Telescope utilizes these advantages to provide the most value to our customers.

Our tables set new standards for ease of use. They feature a heavy-duty aluminum rim, tempered glass (five times stronger than regular glass) and UV stabilized plastic clips that hold the glass firmly in place. The best feature of our tables, however, rests in the legs. They contain spring-loaded end caps that allow the table to be securely assembled or disassembled in a matter of seconds, no

tools required.

Telescope's swivel rocker mechanism is made out of a special alloy of aluminum to provide a smooth and comfortable motion, while maintaining its durable construction.

Our Windham Cushion design has proven to be a popular twist to the traditional outdoor furniture padding. Wrapping over the back of the chair, our cushion provides the feeling of an upholstered head rest, while retaining its reversibility. That's right! This cushion can be easily turned over if the need arises.

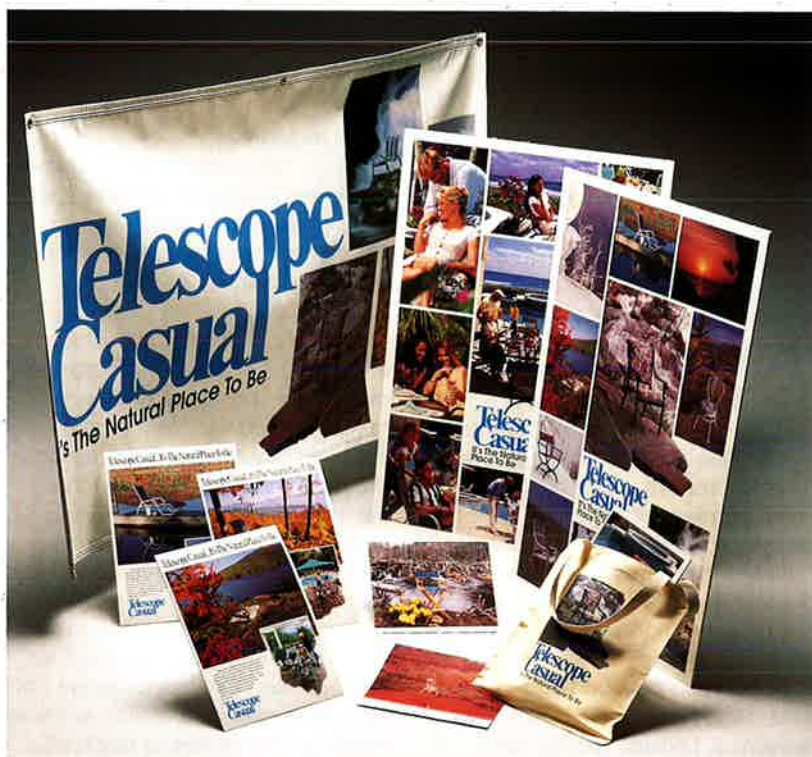

All of our cushions are made with materials designed for outdoor use. The fabrics range from vinyl, polyester and olefins to printed acrylics. The stuffing is made of 100% polyester fibers welded by heat and pressure to maintain their loft. Water drains right through these fibers, rain is never a problem. They dry quickly.

Telescope's straps are extruded right at our factory with 100% virgin PVC to ensure consistent color, strength and durability. They are secured to the frame with pins to eliminate any concerns of strap pullout. Yet at the same time, these same straps can still be easily replaced.

Telescope sling furniture is our hallmark. The durability and style of our sling furniture traces its roots back through all of our proud 95 year history. And what we've learned we've put into every chair we make. We use extra heavy construction in our slings to ensure that they will last. Our slings are sewn to plastic dowels that are securely locked into our specifically designed extrusion.

Experience the result of our never ending quest for a quality product at a value to our customers!

Our plastic end caps and spacers are molded in-house to match our frames exactly in both shape and color. Ultraviolet (UV) stabilizers are added into the molding process to help protect these parts from the damaging effects of the sun.

Telescope's Advertising & Marketing Support

Marketing Tools

Telescope has a complete line of visual aids, display material and brochures to help our dealers. We feel that this support material will be helpful as sales tools to enhance the merchandise in your showroom as well as helping your customers with informational literature. Telescope remains a strong supporter of our industry and will be featured in two full pages of *Casual Decor*.

We are also a member and sponsor of the Home Furnishings Council, National Association of Casual Furniture Retailers, Summer & Casual Furniture Manufacturers Association and Hearth Products Association.

Haven's National Television

Telescope has been featured with Joy Philben in *Haven* for the past three seasons. Besides the hundreds of consumers that call us direct because of the show, we also mail out a consumer catalog and dealer list to viewers from *Haven* interested in casual furniture.

National Media Placement For Our Dealers

Telescope inserts full page advertisements for a back cover position in various national magazines. We will generate over 10,000,000 impressions with all leads going to our dealers. Our consumer magazines will consist of Special Interest Publications: *Better Homes & Gardens*, *Woman's Day*, and *Century Home*.

NATIONAL TIE-IN PROGRAM WITH DEALERSHIP

We will be placing a full page advertisement in **Better Homes & Gardens** "Garden Ideas" April

Issue with a dealer listing program, with a dealer's name and address on the opposite page.

Internet Website

Telescope is featured on the World Wide Web with our own website. We offer our full product line plus dealer locations for the consumer.

Our domain name is...

www.telescopecasual.com

National Factory Promotion

Telescope featured national sales promotions for dealer tie-in programs to help generate sales in the dealers peak selling seasons. A full supply of sales support materials, such as full color posters, displays, and sale signs, is sent to each dealers' stores to coordinate with the promotion.

Television Commercials

We have created a fully produced commercial package with a creative :30 second television spot with a :05 second dealer logo and address tag at the end. We have also produced a second option...a commercial donut...so you can create your own spot with raw footage of nine of our top collections in attractive home settings.

These spots are shot on film and produced on broadcast quality 1" tape at no charge to you.

Brochures & Handout Material

We have expanded our consumer catalog. The consumer brochure is designed as a mini catalog.

We have also expanded our Contract Catalog and price list

that are offered to our dealers. Each dealer can receive 100 consumer catalogs and 100 handout brochures, plus 25 contract catalogs with price list at no charge.

Visual Aids and Point of Purchase Material

Telescope has a full supply of visual aid material to assist you with all your marketing and printing needs. We offer an advertising catalog of camera ready art work for newspaper advertisements. We offer a 20 minute product knowledge tape on our merchandise, its use, and how to care for it. We also have a full supply of black and white or colored photographs and product transparencies to meet your needs. Plus we have individual product shots on various items.

Telescope will offer a variety of point of purchase displays and easel displays to use in your show room, plus a quality 4ft. x 6ft. banner to display outside or inside your location. We will offer a set of 2ft. x 3ft. full color wall posters to display, plus a series of hang tags and sale signs to be displayed with our product. All this is at no charge to our valued dealers.

Merchandise Display Racks

Telescope offers 2 types of Director Chair Seat & Back holders. One is the freestanding #9900 Swivel Display Rack that holds up to 144 covers. The other is the #9950 Wall Display Rack that holds 72 covers. Both come with an attractive point of purchase sign. We also offer a unique display rack for our Beach Chairs.

Warranty

If your Telescope powder-coated frame fails structurally during normal usage within 15 years from the date of purchase, we will repair, refinish or replace the frame without charge, parts and labor included. (In the case of discontinued models or finishes, we will replace the item with the closest comparable current model.) The finish is warranted against peeling, cracking or blistering for a period of 3 years from the date of purchase. Not included in our "powder-coat" warranty are table tops, umbrellas, terrace shells and market bases, wood furniture, cushions, slings and folding aluminum furniture. These products are warranted for one year to be free of manufacturing defects. Our cast iron market base, if not properly maintained, will rust if the finish is scratched through to the metal. If this occurs, it must be touched up with an acrylic based paint.

The natural weathering of wood finishes, breakage of glass, fading, staining and mildewing of fabrics, slings and strapping or the compression of cushion fillings and the rusting of market bases are not covered under warranty.

This warranty does not cover the failure of furniture which, in our opinion, was caused by acts of God, or by unreasonable or abusive use, and is void if our care and maintenance instructions were not properly followed.

Furniture used in a commercial setting is not warranted unless it is specifically designated for commercial use as noted by a CQ (commercial quality) in our price list, in which case it is warranted for one year from the date of purchase. Furniture stored outside or in other cold storage should be drained of any water. If allowed to freeze inside the furniture, water can damage the tubing. Such damage is not covered under our product warranty.

To obtain service, contact our Customer Service Department in writing, stating the problem and providing proof of purchase. A

Return Merchandise Authorization will be sent to you giving instructions for returning items if necessary. No returns will be accepted by our factory without prior written authorization from our Customer Service Department. After authorization is received, your furniture must be returned to the factory in proper packaging, freight prepaid.

This warranty applies only to furniture manufactured by Telescope Casual Furniture, Inc., after September 1, 1986. This warranty is in lieu of any other warranty, expressed or implied by law.

Custom Designs

In quantities of 50 chairs or more, Telescope will silk screen the customer's artwork on the backs of our famous beach chairs. The following charges are added to the #741 Mini-Sun Chaise, or the #734 Sun & Sand Chair: \$60 Net for one screen, one color printing (One time charge) \$50 Net for each additional color (One time charge). A printing charge of \$.50 per color, per cover will be added to the screen cost. All re-orders will require a \$10 net set-up charge. We will store customer screens for a maximum of two years from the date of customer's last purchase. Polyester fabric is available in Navy, Lakeside Blue, Teal, Royal Blue and Forest Green. Order requirements: Minimum order is 50 chairs. Delivered quantities must be flexible by plus or minus 5% (for example, an order of 300 chairs must be flexible from 285 to 315 chairs). We require 50% deposit on all custom orders. Camera ready artwork must be provided by the customer. Allow 4 to 6 weeks delivery time. Reproductions of trademarks require written approval by owner or licensee.

Customer Service

For information on routing, tracing and shipping lines, please contact the Telescope Traffic Department. To place or check on orders, inquire about shipping date or to have your Telescope Sales representative visit you, please contact Telescope Customer Service Department. For advertising needs, black and white glossies, line drawings and other promotional materials, please contact the Telescope Advertising Department. For premium and incentive information, please contact the Telescope Premium Sales Department.

All UPS-able in-stock orders will be shipped within 24 hours upon receipt of order. All non UPS-able in-stock orders will be shipped within 10 working days. Telescope straps its UPS shipments together to save you money.

Patent Protection

Telescope products are protected by the following patents: 4,201,416 / 4,230,363 / 4,252,367 / 4,264,230 / 4,273,379 / 4,315,467 / D-263,526 / D-263,654 / 4,467,730 / 4,514,009 / D-278,804 / D-280,473 / D-280,474 / 4,541,666 / D-280,683 / D-281,037 / D-281,378 / D-284,143 / D-287,316 / D-287,552 / D-289,349 / D-290,068 / D-292,854 / 4,867,505 / D-306,530 / 4,941,413 / 4,471,394 / 4,638,827 / 4,674,524 / D-358,264 / 5,499,585 / 5,593,205 / 5,599,064.
