

A white Adirondack chair is positioned on a green lawn. The background is a bright, sunny sky with a lens flare effect. The chair's slats are prominent, and the overall scene is bright and cheerful.

Telescope Casual

COLLECTIONS FOR THE MILLENNIUM

Focused On Collections For The Millennium

At the dawn of what we believe will be the next golden age of design, our new collections bring together the best of everything you've been searching for in leisure furniture.

Since 1903, we've been innovating and producing high-quality products that are beautiful, durable and easy to maintain. Our products are stylish, timeless and just right for life in the new millennium. From upscale indoor/outdoor, to casual aluminum folding collections...with Telescope, you'll be sitting pretty in the 21st century.

Over 95 Years Of American Made Quality

Ever wonder how Telescope got its name? Or how it became synonymous with quality products at a great value? Telescope, a family-owned business for over 95 years, first produced a rugged army cot that was light and compact, and easy for patriotic troops to carry with their supplies. Veterans of World Wars I and II, these cots had sturdy legs that *telescoped* for streamlined efficiency.

From these humble beginnings an American tradition was born. (In fact, the Government was so impressed with the durability of these cots that Telescope was awarded a medal for distinguished service to the United States of America!) Since then the tradition has grown and flourished. Our product line has expanded, but great quality and great value have remained the keys to our success. Now Telescope is focused on a world of leisure.

The pride of producing handcrafted furniture goes into every item we make.

Telescope offers anything you could want for a dream day outdoors.

No-hassle cushions or slings. Tables, chairs and accessories in white, ivory, green, black or sandstone. Serving carts, plant stands. Rocking chairs, gliders. Settees and ottomans. Some traditional, some contemporary. But despite our wide selection, you can count on one thing we consider straight and narrow...*QUALITY*. It is important to us to make the finest, most reliable leisure furniture available.

Take a look at Telescope. See the pride and quality that goes into every item we make. Explore our dynamic designs and attention to detail. Imagine how our stunning fabrics will look in your backyard.

Read through our extensive warranty program. Then look at the price. Our value will convince you. Telescope fills your needs...and much, much more.

Telescope's Mission Statement

Telescope's mission is to consistently supply products that our customers can rely on for quality and value. We are committed to provide our customers with the best service possible, whether they order one unit or a thousand. Through teamwork with our dedicated workforce, we will grow and prosper for another 100 years.

Anything On Anything

Now your choices are practically endless. Telescope is offering you the choice of any suitable fabric and any frame color you want. Some restrictions apply, so use our Price Index to determine the many possible combinations. We will still offer our popular core "In Stock" selections for quick shipment.

All in stock quick ship merchandise will be shipped within 10 working days from receipt of credit approved order. But now you will also be able to special order "*anything on anything*". We will ship these specials within 4 to 6 weeks. Telescope reserves the right to split shipment of special orders, but we guarantee that the freight cost will not be greater than if the order was shipped all at once.

Exclusive Telescope Fabrics

These are Exclusive Fabric Patterns and are sold only by Telescope Casual Furniture.

The Northampton Collection

fabric features special order #6 white

Update your outdoor garden decor with Telescope's Northampton Collection. Enjoy the handsome look of traditional style bench furniture... completely constructed of powder-coated aluminum! This aluminum interpretation of the traditional English Garden chair and bench is the ultimate in maintenance free seating. Our comfortable 3" thick seat cushions feature durable solution dyed acrylic fabric with matching ties to hold the cushions securely in place.

Northampton Product Selection

These classic benches are available in 4 ft., 5 ft., and 6 ft. models, along with matching chairs, coffee tables and end tables for the perfect garden hide away. This collection also features an array of dining ideas. New for 2000, is our exciting 4ft. porch swing with or without stand. Also new for this year is our Armless Chaise, 5ft. Flat Bench and 18" sq. Planter. Available seating pads round out this collection. Curved backs on the arm chair, side chair and rocker (not shown) add comfort and style.

The Adirondack Collection

The Adirondack Chair is one of the most recognized outdoor furniture designs in the world. The humble beginnings of this design started many years ago in the Adirondack region of northern New York State, thus giving this classic design its name. Craftspeople have always built Adirondack Chairs out of a variety of materials, but Telescope has created an absolute original.

The first Adirondack Chair built entirely out of *ALUMINUM!* Of course, a matching ottoman is also available. You can have all the charm and design of the classic Adirondack-style Chair without all the maintenance. We are stocking these items in textured ivory and textured green powder coated finishes, and they can be special ordered in textured sandstone and textured black. Who else but Telescope could bring you the ultimate in maintenance free Adirondack Chairs?

Telescope's Cushion Collections

From Keene Valley in the
Adirondacks

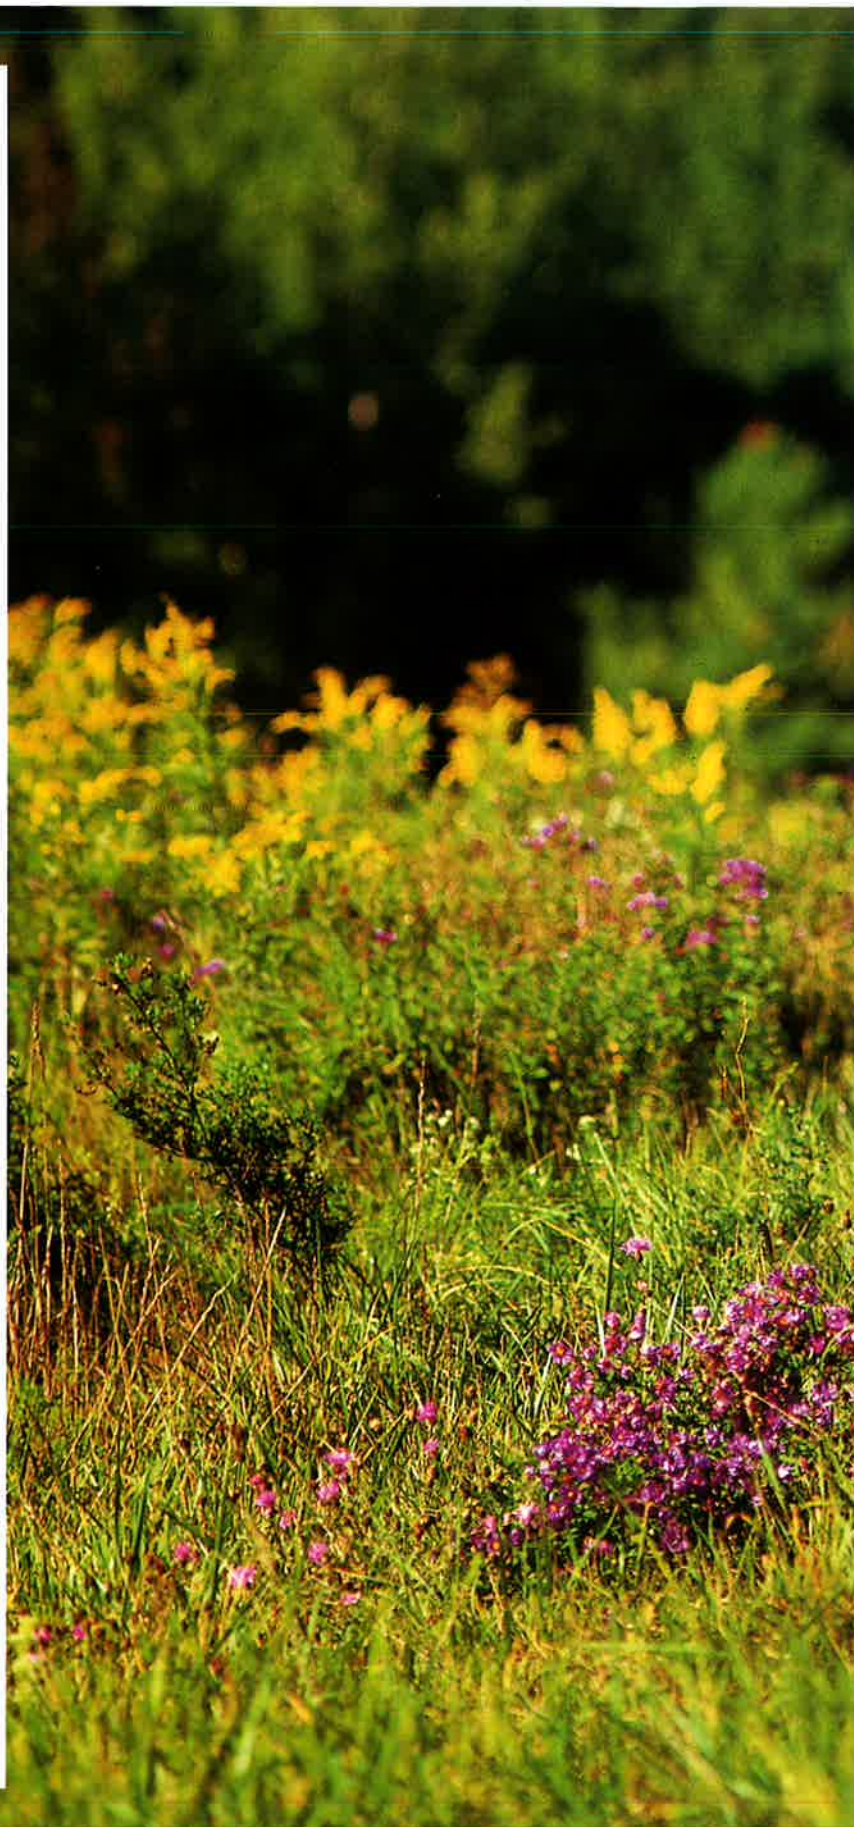

Welcome. Have a
seat and relax on one of
our pillow-soft cushions.
You'll be nice and cozy,
and well supported by our
smart and durable frames.

Speaking of frames,
you won't believe the
choices we give you. Pick
one of each to create your
very own outdoor seating
arrangement.

Be sure to select your
favorite style cushion to
bolster your spirits, and
keep up with your unique
lifestyle...go ahead, rock
the baby, sunbathe, dine,
read, or just enjoy the
scenery.

■ The Windham Cushion
Collection

■ The Key Largo Cushion
Collection

The Windham Cushion Collection

Windham is Telescope's premier cushion collection. It will turn your outdoors into an exquisite living room ... complete with intimate seating arrangements. Windham features elegant, easy-care reversible cushions with clean tailored lines. Its cushions fit snugly over the tops of our sturdy powder-coated aluminum frames. This classy collection is suitable for formal or informal entertaining and is strong and durable to provide years of pleasure. New to this collection, is an ingenious design of an outdoor recliner with an extending foot rest. We have also added a single seat glider.

The Key Largo Cushion Collection

Key Largo is a dream come true! And Telescope offers you the same 10 frame styles you will find in our Windham Cushion Collection. Key Largo has thick, cozy cushions that attach to our powder coated aluminum frames with easy to attach fabric tabs. Rain and water are never a problem. We use our unique "Rain-thru" padding in all cushions so they dry quickly, resist mildew, and keep their shape. Key Largo cushions are comfortable and care-free, and they clean up in a snap. The recliner with foot rest and single seat glider are also new to our Key Largo Collection.

Telescope's Sling Collections

From Prospect Mt. in the Adirondacks

Our lofty assortment of sling collections is astounding. We're taking sling furniture to brand-new heights by premiering two original collections. Both are destined to become classics. In addition, we continue to add to our traditional favorites.

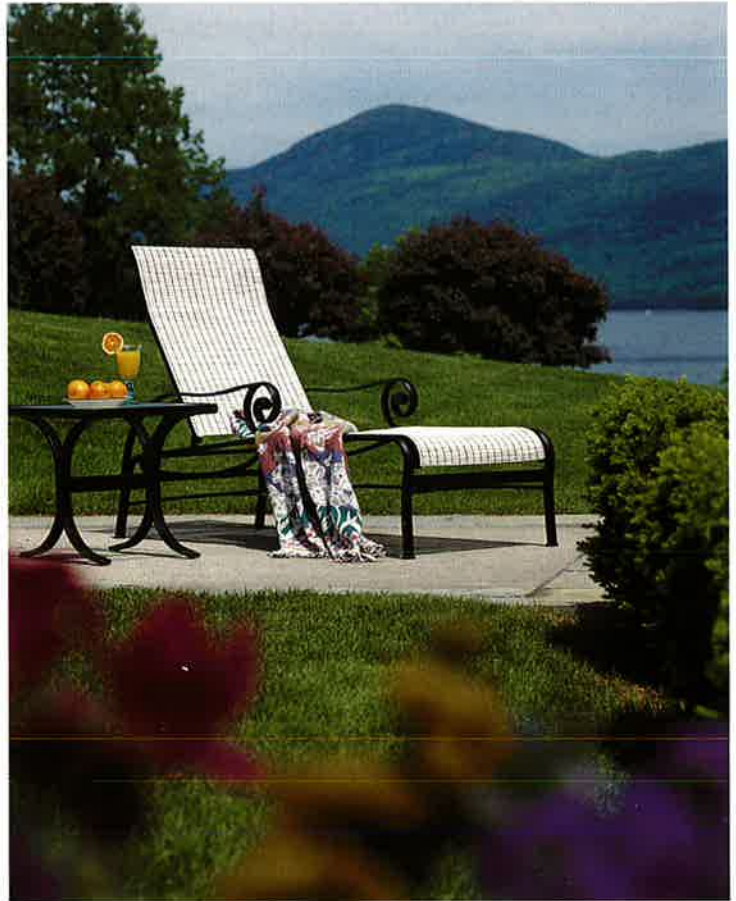

- The Lisbon Sling Collection
- The Carolina Sling Collection
- The Concord Sling Collection
- The Caneel Bay Ultra High Back Sling Collection
- The Windham Sling Collection
- The Primera Sling Collection
- The Gardenella Sling Collection

The Lisbon Sling Collection

We've done it again! We've created an incredible work of art. Introducing The Lisbon Sling Collection. This classic collection features traditional-looking solid cast aluminum. Its timeless motif with fanciful swirls and scrolls evolve into a focal point that features an architectural-style finial. The Lisbon Sling Collection is simply stated with a broad and robust design. It will appeal to your good taste and sense of style.

Vanese Sling Collection

The Vanese Sling contract collection comes to the rescue when poolside patio or balcony furniture takes a lot of wear! Without sacrificing comfort, or the sturdy, solid, and rugged build you expect from Telescope, we've designed this entire collection with efficiency in mind. You can fit more chairs around a table, and still have ample room for entertaining.

Characterized by a practical simplicity of style, all Vanese Sling frames are reinforced with a unique double support-bar design. The lumbar support feature comforts your lower back. Storage is efficient because built-in bumpers protect the finish and you can safely stack the furniture out of the way when not in use. Don't forget our special order program to customize this exciting new collection exactly to your needs.

Telescope's Wood & Folding Collections

From Twin Rock Falls in the Adirondacks

Your millennium resolutions probably include making more time to relax in solitude, and spending more quality time with family and friends. Whether you plan to enjoy the great outdoors at home, or away in the country or city...be sure to include Telescope's folding furniture for comfort, style, and reliability.

Our folding furniture is available for every occasion. The fun starts with Telescope.

- The Director Chair Collection
- The Telaweave Vinyl Mesh Collection
- The Beach Chair Collection

The World Famous Director Chair

Telescope's World Famous Director Chair is soundly constructed using the finest solid North American hardwood. Made in the U.S.A., this is the finest chair in the industry. Canvas covers are custom dyed with the finest vat dyes available. Arms are shaped and sanded by hand for maximum comfort and smoothness. The heavy duty shaped legs of the World Famous Chairs set it apart from the crowd. Corner bracing on the counter and bar height designs insure long term rigidity of these frames. Chairs fold compactly, arm assembly folds down flat, packs easily. Available in three seat heights and four frame finishes.

10ft. Market Umbrella

9ft. Market Umbrella

8ft. Market Umbrella

The Telescope Market Umbrella is so unique it's patented. The Ash Market Umbrella and Powder-Coated Aluminum Market Umbrella are designed to be the perfect addition to any casual setting. The Powder Coated Umbrella has an extremely durable baked on polyester finish. The Wood Umbrellas are varnished for long lasting protection. Use freestanding or with an Umbrella Table. All Market Umbrellas are offered with vents.

Market Umbrellas

Telescope's Easy Lever-Lift locks into place automatically when the umbrella is opened. This truly creative mechanism takes the hassle out of opening and closing your market umbrella. This Lever is offered on both our wood and aluminum framed umbrella. Our strong support ribs are designed so the fabric sets off the ribs, to reduce abrasion from the wind. The cover snaps on and off and is machine washable. All our market umbrellas come with an easy push button tilt mechanism. The metal parts are either solid brass or aluminum so there is no rust...ever. Telescope offers three convenient vented market umbrella sizes in 8ft., 9ft., and 10ft. diameters.

Our Easy Lever-Lift lets you open and close your umbrella with ease.

Our strong support ribs are designed so the fabric sets off from the rib, plus the fabric snaps on and off for easy machine washing.

Drape Umbrellas

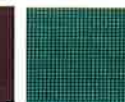

The ideal umbrella to go with any casual furniture group. This versatile yet durable crank and tilt umbrella comes in a wide variety of patterns. The raising crank has a position braking system to eliminate accidental lowering.

* These are exclusive fabrics for Telescope Casual Furniture.

Tables

Telescope umbrella tables feature a strong aluminum banded table rim and leg assembly with a durable baked on polyester finish in white, ivory, sandstone, green, or black. The knock-down (KD) feature of our tables provides efficient storage as well as easy assembly. Plastic glides on all legs help to protect the deck or patio surface. The glass used in our tables is tempered for extra strength. A plastic umbrella hole protective ring and plug are included. Most of our tables are available in all five frame finishes under our special order program. Please refer to our Price Index for details.

Our tables are designed to slip apart for easy storage, except for our Lisbon and Northampton Tables.

FABRIC SELECTION

The fabrics shown on pages 82-84 of this catalog represent our stock selection of fabrics and frame colors for each powder coated collection. They are produced for our extensive line of quick ship merchandise. All in stock quick ship merchandise will be shipped within 10 working days from receipt of credit approved order. In addition to this, Telescope will make-to-order our powder coated products in any of our frame colors and with any of our suitable fabrics shown on pages 74-84 of this catalog. There is no minimum order. Some restrictions apply, so use our Price Index to determine the many possible combinations. We will ship these specials within 4 to 6 weeks.

Telescope reserves the right to split shipment of a special order, but we guarantee that the freight cost will not be greater than if the order were shipped all at once. Director Chairs and silver aluminum furniture are excluded from this program. *** These are exclusive fabrics for Telescope Casual Furniture.**

Telescope's Advertising & Marketing Support

Marketing Tools

Telescope has a complete line of visual aids, display material and brochures to help our dealers.

We feel that this support material will be helpful as sales tools to enhance the merchandise in your showroom as well as helping your customers with informational literature.

Telescope remains a strong supporter of our industry and will be featured in *Casual Decor*. We are also a member and sponsor of the Home Furnishings Council, National Association of Casual Furniture Retailers, Summer & Casual Furniture Manufacturers Association and Hearth Products Association.

Haven's National Television

Telescope has been featured with Joy Philben in *Haven* for the past five seasons. Besides the hundreds of consumers that call us direct because of the show, we also mail out a consumer catalog and dealer list to viewers from *Haven* interested in casual furniture.

National Media

Placement For Our Dealers

Telescope places full page advertisements on the back cover of various national magazines. We will generate over 10,000,000 impressions with all leads going to our dealers. Our consumer magazines will consist of Special Interest Publications: *Better Homes & Gardens*, *Woman's Day*, *Century Home*, and *Home*.

NATIONAL TIE-IN PROGRAM WITH DEALERSHIP

We will be placing a full page advertisement in **Better Homes**

& Gardens with a dealer's name and address on the opposite page.

Internet Website

Telescope is featured on the World Wide Web with our own website. We offer our full product line plus dealer locations for the consumer.

Our domain name is...

www.telescopecasual.com

Plus we have two other special web sites with...

www.telescopebeachchairs.com

www.directorchairs.com

TeleCompute 2000

Telescope offers an extensive windows-based computer program to help dealers price their line. The dealer can customize individual or overall prices to achieve the margins they desire. Custom Price List, can then be printed.

Television Commercials

We have created a fully produced commercial package with a creative :30 second television spot with a :05 second dealer logo and address tag at the end. We have also produced a second option...a commercial donut...so you can create your own spot with raw footage of nine of our top collections in attractive home settings. These spots are shot on film and produced on broadcast quality 1" tape at no charge to you.

Brochures

& Handout Material

We have expanded our consumer catalog. The consumer brochure is designed as a mini catalog.

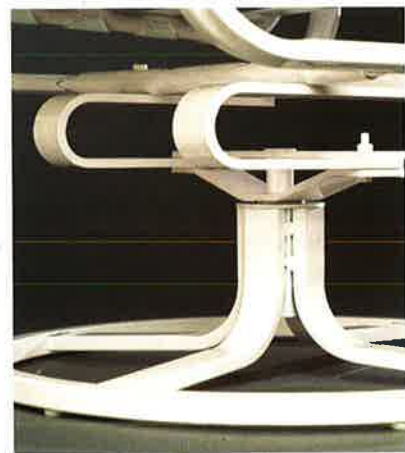

We have also expanded our Contract Catalog and Price Index that are offered to our dealers. Each dealer can receive 100 consumer catalogs plus 25 contract catalogs with price index at no charge.

Visual Aids and Point of Purchase Material

Telescope has a full supply of visual aid material to assist you with all your marketing and printing needs. We offer an advertising catalog of camera ready art work for newspaper advertisements. We offer a 20 minute product knowledge tape on our merchandise, its use, and how to care for it. We also have a full supply of black and white or colored photographs and product transparencies to meet your needs. Plus we have individual product shots on various items. Telescope will offer a variety of point of purchase displays and easel displays to use in your show room, plus a quality 4ft. x 6ft. banner to display outside or inside your location. We will offer a set of 2ft. x 3ft. full color wall posters to display, plus a series of hang tags and sale signs to be displayed with our product. All this is at no charge to our valued dealers.

Merchandise Display Racks

Telescope offers 2 types of Director Chair Seat & Back holders. One is the freestanding #9900 Swivel Display Rack that holds up to 144 covers. The other is the #9950 Wall Display Rack that holds 72 covers. Both come with an attractive point of purchase sign.

Features of Telescope's Quality Furniture

Care & Maintenance

Solution Dyed Acrylic Fabric (solid and stripes)

Spot wash dirt with lukewarm water and a mild soap. Rinse thoroughly with clean water, then air-dry. To clean mildew stains, in a ventilated area, prepare a mild solution of one cup bleach plus two caps full of a natural soap per gallon of water. Spray the entire area, and scrub vigorously if necessary. You may wish to spray the fabric with Scotchguard after washing.

Acrylic and Polyester Print Fabrics

A soapy solution of Ivory Liquid and lukewarm water will remove common dirt. **DO NOT USE BLEACH OR OTHER HARSH DETERGENTS. DO NOT PLACE IN DRYER.**

PVC/Acrylic Blend Fabrics

Dirt can be removed with a soapy solution of warm water and Ivory Liquid. Do not use pine cleansers. Rinse and allow to dry.

Telaweave Mesh Fabrics

Soak the entire area with warm water and detergent. A small amount of chlorine bleach can be added to remove stubborn stains.

Olefin Fabrics

Use mild detergent such as Ivory Liquid and water. Chlorine bleach can be used on stubborn stains.

Aluminum Frames, including Powder-Coat

To keep furniture looking new, use Soft Scrub or similar non-abrasive products to remove scuff marks and scratches. Non-textured frames should be waxed once or twice a year with an automotive paste wax to maintain luster. Wax will make washing and cleaning easier. Do not use paste wax on textured finishes. Instead use lemon oil for protection and natural soap and water for cleaning.

PVC Strap Furniture

Telescope Straps can be cleaned using a soapy solution of warm water and Ivory Liquid. Hose down to rinse and **DO NOT USE** pine oil cleansers or harsh abrasives. Straps can be easily replaced by the consumer by heating the strap

in hot water and pinning it to the frame while hot. As the straps cool down, they will shrink for a snug fit.

Winter Maintenance

Furniture that will be stored outside or in other cold areas should be drained of any water to avoid ice damage in the tubing.

Telescope Quality

Telescope offers five frame colors utilizing a polyester powder coating process which bakes the finish permanently in place at 450 degrees Fahrenheit. Once this finish "cures" it becomes extremely durable, resistant to scratching, chipping and peeling. Our black, green, ivory and sandstone finishes are offered in popular textures, while, traditionally, our white remains a brilliant, glossy, pure white.

Telescope designs and specifies all of its own aluminum extrusions to precisely match the characteristics needed for each application. These include aesthetics, strength, stiffness, "bendability," and cost. In this way, Telescope can pass along the maximum value possible to its customers. And since Telescope's products are made almost exclusively with aluminum, our products will remain virtually rust-free, forever.

Telescope products are welded together using either the MIG (metal inert gas) process or the TIG (Tungsten inert gas) process, depending on the particular application. Both processes have their own distinct advantages and, once again, Telescope utilizes these advantages to provide the most value to our customers.

Our tables set new standards for ease of use. They feature a heavy-duty aluminum rim, tempered glass (five times stronger than regular glass) and UV stabilized plastic clips that hold the glass firmly in place. The best feature of our tables, however, rests in the legs. They contain spring-loaded end caps that allow the table to be securely assembled or disassembled in a matter of seconds, no tools required.

Telescope's swivel rocker mechanism is made out of a special alloy of aluminum to provide a smooth and comfortable motion, while maintaining its durable construction.

Our Windham Cushion design has proven to be a popular twist to the traditional outdoor furniture padding. Wrapping over the back of the chair, our cushion provides the feeling of an upholstered head rest, while retaining its reversibility. That's right! This cushion can be easily turned over if the need arises.

All of our cushions are made with materials designed for outdoor use. The fabrics range from vinyl, polyester and olefins to acrylics. The stuffing is made of 100% polyester fibers welded by heat and pressure to maintain their loft. Water drains right through these fibers, rain is never a problem. They dry quickly.

Telescope's straps are extruded right at our factory with 100% virgin PVC to ensure consistent color, strength and durability. They are secured to the frame with pins to eliminate any concerns of strap pullout. Yet at the same time, these same straps can still be easily replaced.

Telescope sling furniture is our hallmark. The durability and style of our sling furniture traces its roots back through all of our proud 97 year history. And what we've learned we've put into every chair we make. We use extra heavy construction in our slings to ensure that they will last. Our slings are sewn to plastic dowels that are securely locked into our specifically designed extrusion.

Our plastic end caps and spacers are molded in-house to match our frames exactly in both shape and color. Ultraviolet (UV) stabilizers are added into the molding process to help protect these parts from the damaging effects of the sun.

Experience the result of our never ending quest for a quality product at a value to our customers!

STRAPPING

Straps: 2" wide commercial grade vinyl strap made with 100% virgin vinyl for consistency, ultraviolet (UV) stabilizers and fungicide for color fastness and long lasting appearance, plus special elastomers for rapid stretch recovery. Special strap ends slip securely into seat and back extrusions for clean appearance and extra durability.

POWDERCOAT FINISH

Finish: Utilizing the best polyester powder available for outdoor use, the frames receive a bonded polyester powder coated finish that will not peel, crack or blister. Our three stage wash and surface pretreatment process ensures that the polyester is permanently bonded to the frame.

GLIDES

Front and Back: Replaceable molded high-density polyethylene or nylon skid glides.

SPECIFICATIONS

SERVING BAR FRAMES

Frames: Legs are 1 1/4" heavy duty .050" wall extruded aluminum tubing.

Shelves: Internal frame is 7/8" diameter .075" wall extruded tubing. Top serving area is 3/16" thick tempered glass. Removable bottom shelf is 3/16" thick durable acrylic.

Optional Skirt: Easy wrap-around skirt constructed of extra heavy weave vinyl-coated polyester mesh.

SERVING CART FRAMES

Frames: 1" diameter extruded drawn aluminum tubing.

Shelves: Removable shelves are 3/16" thick acrylic.

BAR STOOL FRAMES

Legs: 1 1/4" diameter heavy duty .050" wall extruded aluminum tubing.

Footrest: Constructed of 1" x 3/4" aluminum extrusion. Protective vinyl T-molding on footrest included. Bar Stools constructed with reinforced press fits, tig-welded joints and 5/16" zinc plated screws.

Sling: Variety of colors of extra heavy weave vinyl-coated polyester mesh. Slings are weather resistant and replaceable.

SERVING BAR and SERVING CARTS

Wheels: Plastic rim wheels with rubber tire.

Assembly: UPS-able and ready-to-assemble at home. No tools required.

Cooler: Genuine Igloo brand 25 qt. marine grade cooler shipped with all Serving Bars and Serving Carts at no extra charge.

PLANT STANDS and TOWEL RACK

Frames: Heavy 5/8" solid extruded aluminum tig-welded with 360 degree welds.

Assembly: No assembly required.

POWDERCOAT FINISH

Finish: Utilizing the best polyester powder available for outdoor use, the frames receive a bonded polyester powder coated finish that will not peel, crack or blister. Our three stage wash and surface pretreatment process ensures that the polyester is permanently bonded to the frame.

GLIDES

Serving Bars, Bar Stools and Serving Carts have replaceable molded high-density polyethylene or nylon skid glides.

Warranty

If your Telescope powder-coated frame fails structurally during normal usage within 15 years from the date of purchase, we will repair, refinish or replace the frame without charge, parts and labor included. (In the case of discontinued models or finishes, we will replace the item with the closest comparable current model.) The finish is warranted against peeling, cracking or blistering for a period of 3 years from the date of purchase.

Not included in our "powder-coat" warranty are table tops, umbrellas, terrace shells and market bases, wood furniture, cushions, slings and folding aluminum furniture. These products are warranted for one year to be free of manufacturing defects. Our cast iron market base, if not properly maintained, will rust if the finish is scratched through to the metal. If this occurs, it must be touched up with an acrylic based paint.

The natural weathering of wood finishes, breakage of glass, fading, staining and mildewing of fabrics, slings and strapping or the compression of cushion fillings and the rusting of market bases are not covered under warranty.

This warranty does not cover the failure of furniture which, in our opinion, was caused by acts of God, or by unreasonable or abusive use, and is void if our care and maintenance instructions were not properly followed.

Furniture used in a commercial setting is not warranted unless it is specifically designated for commercial use as noted by a CQ (commercial quality) in our price index, in which case it is warranted for one year from the date of purchase. Furniture stored outside or in other cold storage should be drained of any water. If allowed to freeze inside the furniture, water can damage the tubing. Such damage is not covered under our product warranty.

To obtain service, contact our Customer Service Department in writing, stating the problem and providing proof of purchase. A Return Merchandise Authorization will be sent to you giving

instructions for returning items if necessary. No returns will be accepted by our factory without prior written authorization from our Customer Service Department. After authorization is received your furniture must be returned to the factory in proper packaging, freight prepaid.

This warranty applies only to furniture manufactured by Telescope Casual Furniture, Inc., after September 1, 1986. This warranty is in lieu of any other warranty, expressed or implied by law.

Custom Designs

In quantities of 50 chairs or more, Telescope will silk screen the customer's artwork on the backs of our famous beach chairs. The following charges are added to the #741 Mini-Sun Chaise, or the #733 Sun & Sand Chair: \$60 Net for one screen, one color printing (One time charge) \$50 Net for each additional color (One time charge). A printing charge of \$.50 per color, per cover will be added to the screen cost. All re-orders will require a \$10 net set-up charge. We will store customer screens for a maximum of two years from the date of customer's last purchase. Polyester fabric is available in Navy, Lakeside Blue, Teal, Royal Blue and Forest Green. Order requirements: Minimum order is 50 chairs. Delivered quantities must be flexible by plus or minus 5% (for example, an order of 300 chairs must be flexible from 285 to 315 chairs). We require 50% deposit on all custom orders. Camera ready artwork must be provided by the customer. Allow 4 to 6 weeks delivery time. Reproductions of trademarks require written approval by owner or licensee.

Customer Service

For information on routing, tracing and shipping lines, please contact the Telescope Traffic Department. To place or check on orders, inquire about shipping date or to have your Telescope Sales Representative visit you, please contact Telescope Customer Service Department. For advertising needs, black and white glossies, line drawings and other

promotional materials, please contact the Telescope Advertising Department. For premium and incentive information, please contact the Telescope Premium Sales Department.

"Anything On Anything"

Telescope's Quick Ship and Special Order Policies:

The fabrics shown on pages 82-84 of this catalog represent our stock selection of fabrics and frame colors for each powder coated collection. They are produced for our extensive line of quick ship merchandise. All in stock quick ship merchandise will be shipped within 10 working days from receipt of credit approved order. All UPS-able in-stock orders will be shipped within 24 hours upon receipt of order. Telescope straps its UPS shipments together to save you money.

In addition to this, Telescope will make-to-order our powder coated products in any of our frame colors and with any of our suitable fabrics shown on pages 74-84 of this catalog. There is no minimum order. Some restrictions apply, so use our Price Index to determine the many possible combinations. We will ship these specials within 4 to 6 weeks. Telescope reserves the right to split shipment of special orders, but we guarantee that the freight cost will not be greater than if the order were shipped all at once. Director Chairs and silver aluminum furniture are excluded from this program.

Patent Protection

Telescope products are protected by the following patents:
