# 1903

FOUNDER  
Henry J.W. Vanderminden Sr.

## **Our People are the Backbone of Telescope . . .**

All of our products are proudly produced by nearly 300 loyal, highly-skilled, and talented employees who work alongside third- and fourth-generation members of the Vanderminden family.

Our company success over the years has been a direct result of our hard-working, dedicated employees and sales force, who put their hearts and souls into everything they do. Everyone here works together as a team to produce the best product and to satisfy the customer.

# Today

Hardwood Folding Chair  
(from our 1932 Catalog)

Granville offered lush woodland, wide-open countryside, railroads, and plenty of skilled, hard-working laborers who had gravitated to the area to work in the slate mining industry.

In 1932, Telescope's sales and administration departments moved out of New York City to Granville.

In 1953, Telescope invented and patented the award-winning Director Chair with re-

#7001 Folding Wood Arm Chair  
(from our 1959 Catalog)

Telescope added aluminum furniture to the product line in 1957.

When Telescope became popular for beach furniture, the company ran under the name Telescope Folding Furniture Company. Later, it adopted its current name, Telescope Casual Furniture, Inc.

In the mid-1970's, Telescope took the industry by surprise with its innovative replaceable sling and powder-coated aluminum leisure furniture. Our Slings are now considered the standard in the industry.

Sharing a part of American history over the years, Telescope proudly manufactured pro-

The Standard Telescope Cot Bed #100  
(from our 1929 Catalog)

Folding Aluminum Cot  
(from our 1971 Catalog)

placeable seat covers. A long-time Hollywood favorite, it remains popular today for everyday use.

The Illinois Institute of Technology once named the original Director Chair as number 46 on its list of "100 best designed items of modern times."

### Looking Back Over 100 Fabulous Years . . .

The Telescope Cot Bed & Novelty Company was founded in 1903. Telescope draws its name and rich heritage from our original line of cots and camp stools with "telescoping" legs.

Telescope's woodworking operations were located in a wooded rural area of Pennsylvania that came to be known as Telescope, Pennsylvania. The rest of our operation, including assembly and sales, operated out of our New York City facility.

Telescope moved its saw mill and manufacturing operations to Granville, New York, in 1921.

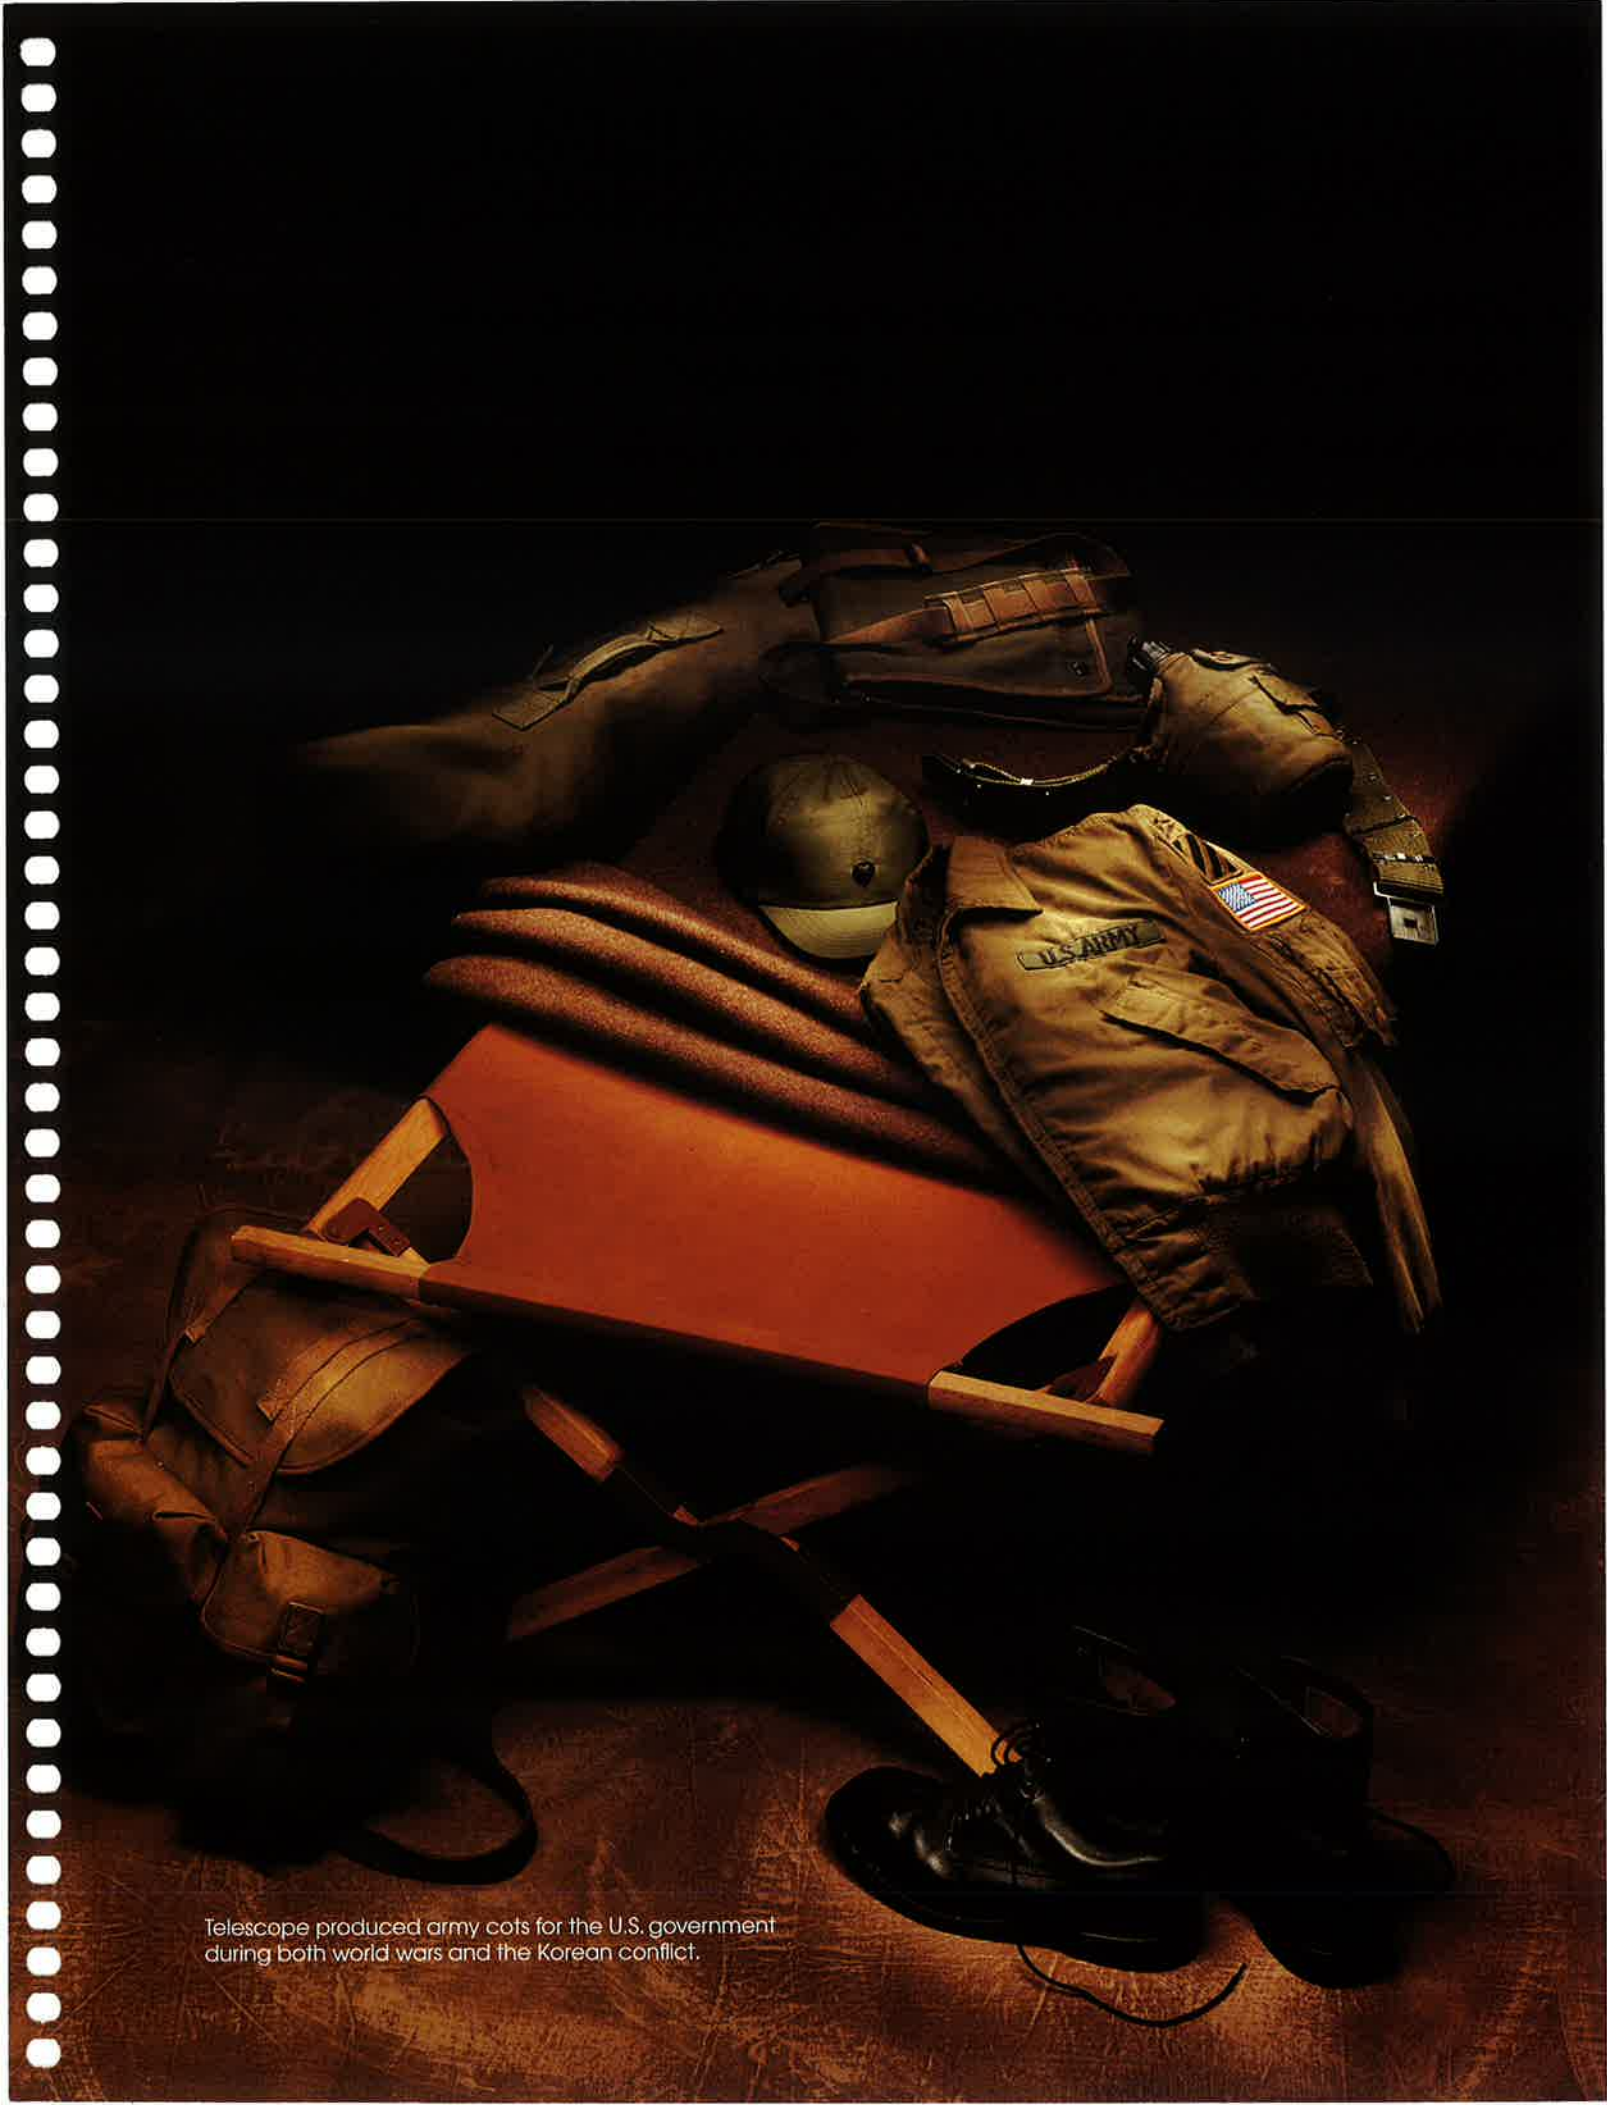

Our "Apollo" Award Winner

Used by President Kennedy  
(from our 1957 Catalog)

ducts for the U.S. government during both world wars and the Korean conflict. President John F. Kennedy was often photographed in his Telescope Bentwood Slat Rocker. And in recent years, several first ladies have chosen Telescope Furniture when redecorating their own homes and Camp David.

Telescope produced army cots for the U.S. government during both world wars and the Korean conflict.

Self-Adjusting Sun Chair  
(from our 1941 Catalog)

### Still Growing Strong . . .

The year 2003 begins a brand new century for Telescope! We remain committed to the future and to the rich past we have inherited.

The nearly one-million square-foot plant in Granville and our private, environmentally-controlled, 25,000-acre land preserve in upstate New York and Vermont continue to be owned, managed, and operated by the Vanderminden family.

Plant renovations and con-

centrated research, development, engineering, and unique manufacturing processes enable Telescope to design and produce products that offer the customer great quality and value, at competitive price points.

With its well-earned reputation as an established leader in the casual furniture industry, Telescope is famous for its style, grace, generous size, rugged build, and ability to stand up to unpredictable elements.

Telescope has stood the test of time. Collections like Gardenella have been around

Granville Collection  
(from our 1976 Catalog)

warranty, you won't find a better value.

Telescope's Collections Include:

- Cushion Collections
- Sling Collections
- Strap Collections
- Director Chair Collections
- Beach Chairs & Folding Leisure Furniture
- Market & Drape Umbrellas
- Table Collections
- Accessory Items

Shaping the future of outdoor furniture design, we at Telescope are striving to remain an industry leader in quality control, innovations, unsurpassed customer service, education, and employee/dealer support, today and for the next 100 years.

Cafe Chair  
(from our 1976 Catalog)

for nearly 30 years, and Director Chairs are still very popular. Our powder-coated frames and replaceable straps and slings are often imitated, but with Telescope's high-quality craftsmanship and customer

# Tobago Cay Fabric & Product Selection

Brand new for 2003, Tobago Cay was inspired by images of warm tropical breezes. Although reminiscent of Grandma's deep-seating, high back wicker chair, Tobago Cay's frames are actually powder-coated aluminum, and the easy-care cushions sit comfortably in the furniture. The splendid transitional chair was designed to work either in a delightful seating arrangement with ottoman, two seat settee, and side table, or it can be used around a dining table. Perfect for outdoors or in the sun room. 15 year residential warranty.

# Hampton Bay Fabric & Product Selection

Sumptuous comfort and down-home elegance are the hallmarks of our Hampton Bay Collection. Quality crafted of 100% aluminum with 7" thick lush cushions of durable "rain through" densified polyester fibers. Hampton Bay transforms your sun room, porch, patio, or deck into your own private haven. Combine arm chairs, ottomans, loveseats and sofas to create an ideal setting for winding-down in gracious style or entertaining with panache. Cast aluminum arms. 15 year residential warranty. Coordinates well with our Northampton Collection.

# Key Largo Cushion Fabric & Product Selection

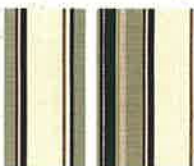

Key Largo offers the same frame styles you will find in our Windham Cushion Collection. Key Largo has thick, cozy cushions that attach to our rust-free powder coated aluminum frames with easy to attach fabric tabs. Rain and water are never a problem. We use our unique "Rain-thru" padding in all cushions so they dry quickly, resist mildew, and keep their shape. Mix & match with Windham Sling and Strap Collections. Low maintenance...easy clean up with soap and water. Extensive variety provides many seating options. 15 year residential warranty.

# Carolina Sling Fabric & Product Selection

Our Carolina Sling Collection features a unique and eclectic mix of style and detail. It's the newest sensation in wrought-style furniture. Solid wrought aluminum with a wrought iron look. It offers the authentic look of old ironwork craftsmanship. As graceful looking as a music note, this rugged yet delicate collection features a rhapsody of exposed architectural hardware, combined with a frame that has pitched, scrolled, rolled and bent solid aluminum. We've created a masterpiece that will truly sing to your heart. Award winning design. 15 year residential warranty.

# Telescope's Strap Collections

Attractive, maintenance-free powder-coated aluminum Strap Collections by Telescope are the most comfortable and durable around. Our strap furniture is the easiest outdoor furniture to own.

"I see to it that your hand-crafted furniture will last a long, long time."

**Kenny Duel**

A Telescope employee for over 30 years.

# Montserrat Strap

Strap features #77 Textured Black

## Montserrat Strap Product & Pattern Selection

Montserrat's innovative flexible vinyl straps are folded, welded and inserted into the frame, which creates a tailored, seamless progression from strap to frame. Amazingly, the straps are easily replaceable if you decide to redecorate. Available as a chair, swivel rocker and chaise, Montserrat's simple and classic wrought iron look is actually powder-coated aluminum. Relax, it's weather-resistant and so easy to maintain.

## Telescope's Wood & Folding Collections

We are so meticulous about how our Wood and Folding Collections are made that we use wood from trees grown in our private woodlands in New York and Vermont.

"Over the years so many things have changed around here, but the dedication and determination to produce a high-quality product has never faded."

**Larry Jones**

Larry is a legend at Telescope and has been with the company for over 60 years. That means he has celebrated Telescope's 50, 75 and now 100 anniversary.

# World Famous Director Chairs

Fabric features #25C Burgundy

## World Famous Product Selection

Telescope's World Famous Director Chair is soundly constructed using the finest solid North American hardwood. Made in the U.S.A. this is the finest chair in the industry. Canvas covers are custom dyed with the finest vat dyes available. Arms are shaped and sanded by hand for maximum comfort and smoothness. The heavy duty shaped legs of the World Famous Chair set it apart from the crowd. Corner bracing on the counter and bar height designs insure long term rigidity of these frames. Chairs fold compactly, arm assembly folds down flat, packs easily. Available in three seat heights and four frame finishes.

# Top 10 Reasons for Choosing Telescope Director Chairs

Quality standards are maintained and improved by independent lab testing and Telescope's own testing facilities.

All back covers have a non-sag feature. One size seat and back fits all Director Chairs.

All frames are select, kiln-dried solid hardwoods. They are shaped and hand sanded.

The seating material slips into a specially designed groove. No tools are needed.

All wood parts are precision-milled, pressed together and nailed for maximum rigidity.

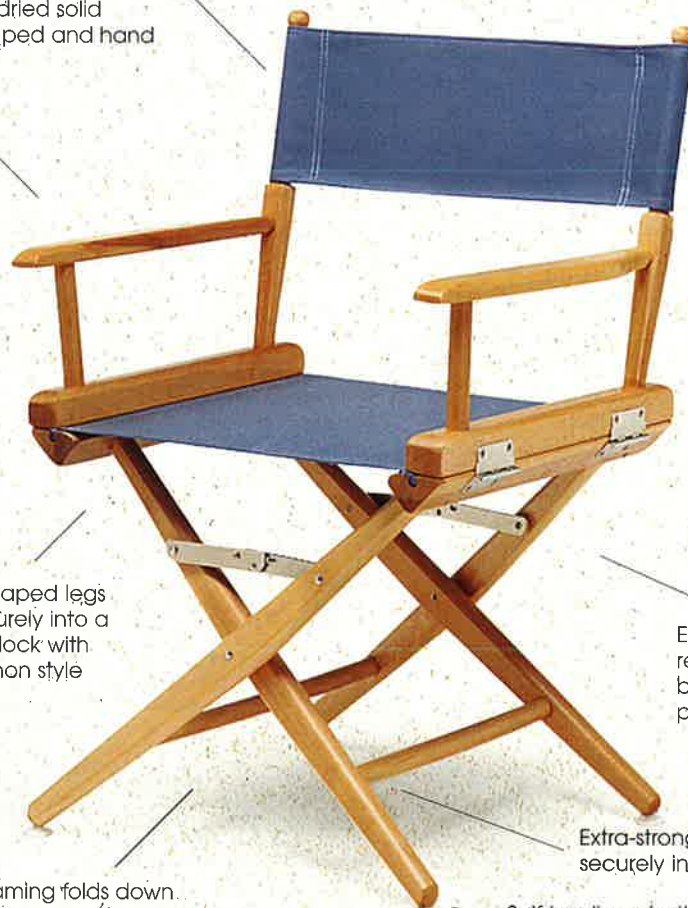

The tapered, shaped legs are nailed securely into a beveled seat block with mortise and tenon style joinery.

Extra Heavy-duty, corrosion-resistant, zinc-plated steel braces are 50% stronger than previous braces.

The arm and chair framing folds down compactly and packs easily into a box.

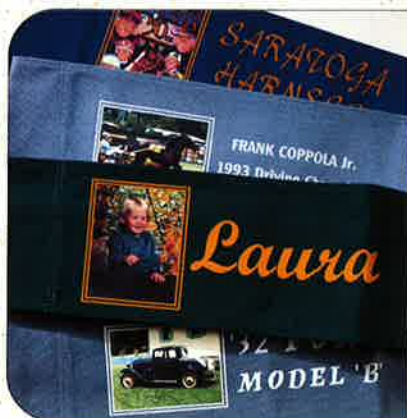

Extra-strong leg braces are nailed securely into the legs.

Self-leveling plastic glides on the legs help to prevent marring of floors. Screws make these glides easily replaceable.

## The Original World Famous Director Chair

No other director chair offers you so much. Eye catching design, personal comfort, quality construction and economical pricing. Don't be fooled by imitations. Demand the original director chair by Telescope...Telescope invented the slip-in seat and back design in 1953. Patented for many years, our World Famous chair eventually became the industry standard. Perfect for Trade Shows, Exhibits, Hospitality Suites, Showrooms, Office Interiors and so much more. Ideal for Prizes, Incentives and Awards. An outstanding selection of fabrics, finishes and seat heights to choose from. We offer two styles of Director Chairs...The World Famous and The Celebrity.

## Custom Chair Covers

### HEAT TRANSFER COVERS

Celebrate any special event in style with a one-of-a-kind personalized director chair. Perfect for incentives, promotions, graduations, birthdays, or any occasion you can dream of! No expensive set up charge or minimum quantities for this fully computerized full color production system.

### SILK SCREEN COVERS

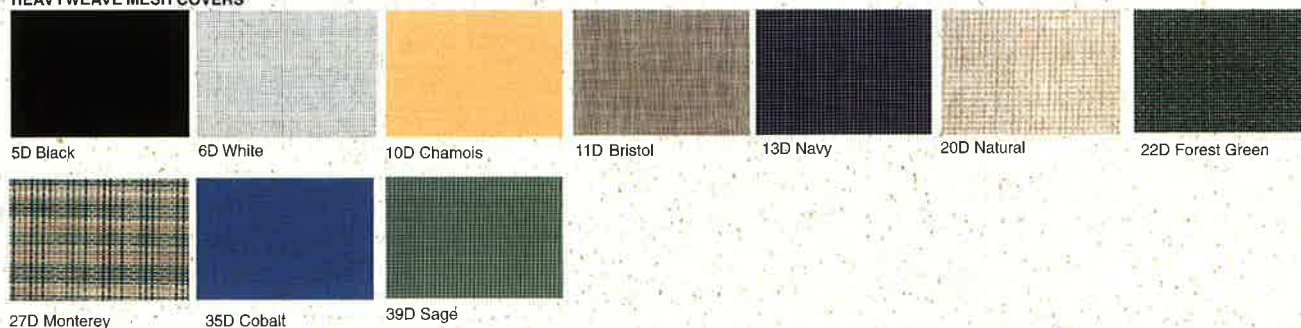

Silkscreen covers expand your design options. Picture your logo emblazoned across the back of a chair that is synonymous with quality! Use one, two, three or more colors for your eye catching artwork. Create the image you want, and we can bring it to reality on a Telescope Director Chair. Silk screen printing can be done on canvas only.

## Furniture Accessory Product Selection

With elegantly curved legs, and swirl motif handle, our designer serving cart lends a touch of class to any setting. Its wide tempered-glass top, double ringed shelf, and large easy-wheels, make it a snap to bring drinks, hors d'oeuvres, or a complete meal from your prep center direct to your guests. And, with style to spare. Telescope also offers our award-winning mobile serving bar, and our serving carts with coolers. The bar has a removable acrylic bottom shelf and a generously sized top serving area made of tempered glass. The bar can be used with matching bar stools or with Windham Sling, Spectra Sling or Director bar height chairs. Telescope's plant stands are available to further accentuate your furniture selections.

# Dining Tables

Telescope umbrella tables feature a strong aluminum banded table rim and leg assembly with a durable baked on polyester finish in white, ivory, sandstone, green, bronze or black. The knock-down (KD) feature of many of our tables provides efficient storage as well as easy assembly. Plastic glides on all legs help to protect the deck or patio surface. The glass used in our tables is tempered for extra strength. An umbrella hole protective ring and plug are included. Most of our tables are available in all six frame finishes. Please refer to our Price Index for details.

# Market Umbrellas

Telescope's Easy Lever-Lift locks into place automatically when the umbrella is opened. This truly creative mechanism takes the hassle out of opening and closing your market umbrella. This Lever is offered on both our wood and aluminum framed umbrella. Our strong support ribs are designed so the fabric sets off the ribs, to reduce abrasion from the wind. The cover snaps on and off easily. All our market umbrellas come with an easy tilt mechanism. Telescope offers three convenient vented market umbrella sizes in 8ft., 9ft., and 10ft. diameters.

Our Easy Lever-Lift lets you open and close your umbrella with ease.

Our strong support ribs are designed so the fabric sets off from the rib, plus the fabric snaps on and off easily.

2 pc. donut base.  
Pattern #5 White, #8 Black,  
#4 Green, #9 Sandstone and #Z Bronze, 20" diameter,  
12" Height  
70 lbs total.

# Fabric Selection Anything On Anything

Now your choices are practically endless. Telescope is offering you the choice of any suitable fabric and any frame color you want. Some restrictions apply, so use our Price Index to determine the many possible combinations. We still offer our popular core "quick ship" items in each collection which we attempt to keep in stock for quick delivery to your location. While we cannot guarantee these items will be in stock at any given time, selecting these items helps us to serve you and your customer better. Refer to each collection in this catalog to see the fabrics and frame colors that are a part of our "quick ship" program.

But if you are looking for a uniquely different look, we can make a wide variety of specials for you with no minimum order. You can use pages 114-117 of this catalog to determine whether or not a fabric can be used for an application by looking at the symbols printed under each fabric. The "Key:" at the bottom of pages 114-117 explains all of the symbols used. The fabric can be used for only those applications listed. We will attempt to ship these specials within 4 to 6 weeks. Telescope reserves the right to split shipment of special orders, but we guarantee that the freight cost will not be greater than if the order was shipped all at once. Director Chairs and silver aluminum furniture are excluded from this program.

## Exclusive Telescope Fabrics

These exciting 10 Exclusive Fabric Patterns are sold only by Telescope Casual Furniture.

## Powder Coat Frame Colors

Choose from six powder coated frame finishes.

As shown in photo: Textured Black, Textured Green, Textured Sandstone, Textured Ivory, Gloss White and Textured Bronze.

# Features of Telescope's Quality Furniture

## Telescope's Historic Commitment to Quality

Since 1903, our family-owned company has built a sound reputation based on our remarkable history, fine products, reliable quality, and exceptional service. As an established leader in casual furniture, we stand behind our products. Our customer service department is known as the best in the industry:

## Design Excellence, Innovations and Awards

In the 1950's, we began producing aluminum furniture. In 1953, we invented and patented our world famous director chairs with replaceable seat covers. In the mid-1970's, we were the first to use this same technology in replaceable sling furniture. Over the years we've won many design and service awards, including recent Design Excellence awards from the International Casual Furniture & Accessory Market.

## Frame Finishes and Colors

All of our powdercoated aluminum collections feature the most durable finish on the market. This finish resists scratching, blistering, chipping and peeling, and is five times thicker than liquid spray paint. Powder-coating is created by spraying dry polyester powder onto raw aluminum frames from guns that produce a negative charge, electrostatically attracting the colored powder to the frames. A baking process permanently sets the finish on the frame. Our black, green, ivory, sandstone and bronze finishes are offered in popular textures, while traditionally, our white remains a brilliant, glossy, pure white.

## Aluminum Extrusions

At Telescope, we design and specify our own aluminum extrusions, precisely matching the application characteristics of aesthetics, strength, stiffness, bendability and cost.

## Welded Parts

For added strength and beauty, Telescope products are welded together using either the MIG (Metal Inert Gas) or TIG (Tungsten Inert Gas) process, depending on the particular application. Both processes have their own distinct advantages.

## Swivel Rocker Mechanism

Our swivel rocker mechanism is made from durable aluminum alloys that provide a smooth and comfortable motion. Our adjustable feature allows customers to tailor the spring tension to perfectly match their maximum comfort level.

## Plastic End Caps and Spacers

Our plastic end caps and spacers are molded in-house to match the color and shape of our frames. UV (Ultraviolet) stabilizers are added in the molding process to help protect these parts from the damaging effects of the sun.

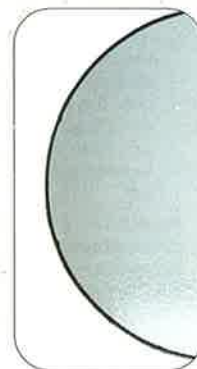

## Wood Products

Telescope's own skilled craftspeople produce wooden products in our nearly one-million square-foot plant. The fine maple, beech, yellow birch, and ash woods used in our products are carefully selected

from our own private twenty-five-thousand-acre land preserve in upstate New York and Vermont.

## Tables

Our wide variety of tables include large and small, rectangular, round, and oval styles. Wood slat tables are available in clear varnish, stain, or dipped paint finishes. Powder-coated aluminum tables feature extra-strength tempered glass or solid acrylic materials, and powder-coated aluminum tops. New for 2003, we also offer tables with beautiful solid faux-stone tops. Plastic glides on all table legs help protect deck or patio surfaces. Packaged for easy assembly and efficient storage, many of our tables are designed to pull apart easily into three pieces (no nuts, bolts, or screws are used) and others are easily assembled using a few screws. We have made many improvements to our Designer tables making them easier to assemble and substantially more rigid after assembly.

## Cushions

Our comfortable, generously-sized outdoor cushions are made of vinyl, polyester, olefin and acrylic fabrics. The stuffing is made of 100% polyester fibers that are welded by heat and pressure to maintain their loft. Water drains right through these fibers; rain is never a problem. Our easy-maintenance cushions dry quickly, resist mildew, and keep their shape longer than other cushion products on the market.

The various cushion styles either wrap over the back of the chair to give the feeling of an upholstered headrest, easily attach with fabric tabs, or fit snugly into the furniture frame. Customers can mix and match some of our cushion furniture with sling and strap options made from the same frame design.

## Strap Styles

The 100% virgin PVC straps are extruded at our factory, ensuring consistent color and durability. We use only heavy-duty vinyl straps containing UV and mildew inhibitors for reliable strength, resilience, and elasticity. Our traditional style straps are secured to the frame with pins to eliminate any concerns of strap pull-out. For a smooth, unpinned

look, our newer strap design is created by heat-welding straps that securely slip into a covered aluminum extrusion. Both of these strap styles can be easily replaced for a change of color.

## Sling Styles

Sling furniture is our signature product. We use extra-heavy construction in our slings to ensure that they will last. Our slings are available in heavy, high thread-count woven vinyl-coated polyester fabric, strong olefins, acrylics, or polyester/acrylic blends. UV inhibitors and plasticizers have been

added for shape and colorfastness. During manufacturing, the fabric is cut to size, heat sealed or sewn, fitted with a dowel, and inserted into the seat rail, where it is firmly bolted into place. Sling furniture is attractive, comfortable, easy to clean, and dries quickly after inclement weather. For a change of style, our sling fabrics are replaceable.

## Umbrellas

We've spent years perfecting our distinctive Market and Drape umbrellas. Our innovative Easy Lever-Lift Market umbrella locks into place automatically when the umbrella is opened. We've designed a handy tilt function that easily locks the umbrella angle in the desired position. Available with separate bases, our umbrellas coordinate beautifully with all Telescope collections. Freestanding or as a table umbrella, there's a size and style just right for every customer. Powder-coated aluminum Market umbrella frames are available in colors to match our furniture collections. The Market umbrella frame is also available in ash wood. A variety of fabrics are available to coordinate umbrellas to seating arrangements. For easy cleaning, all Telescope Market umbrella covers are easily removable using heavy duty brass snaps.

All of our cushions are made with materials designed for outdoor use. The stuffing is made of 100% rain-through polyester fibers, heat welded to maintain their loft.

Available in 6 powdercoated frame finishes and 75 fabrics.

Design is reminiscent of rattan furniture, but built with heavy duty extruded tubular aluminum frame for long term outdoor use.

Matching Two-Seat Settee, ottoman, coffee table and end table available.

Extra wide back cushion for wrap-around comfort.

Flexible vinyl strap seat suspension and 5" thick (seat) and 4" thick (back) reversible cushions provide plush comfort.

### Tobago Cay Collection

15 year residential warranty, 5 year commercial warranty

All of our cushions are made with materials designed for outdoor use. The stuffing is made of 100% rain-through polyester fibers, heat welded to maintain their loft.

Available in 5 textured powdercoat frame finishes and 75 fabrics.

Cast aluminum arms are cast with permanent mold process, giving superior strength and quality compared to sand casting process used by competitors.

Plush comfort provided by 7" thick (seat) and 5" thick (back) reversible cushions.

The numerous seating pieces in this collection coordinate beautifully with the extensive Northampton Collection.

Heirloom quality 100% *RUST FREE* aluminum frame constructed with mortise and tenon style joinery.

### Cast Aluminum ■ Hampton Bay Collection

15 year residential warranty, 5 year commercial warranty

Ideal for use by discerning homeowners and in demanding commercial applications.

17 items in collection provide unlimited design possibilities. Also coordinates with Hampton Bay Collection.

Cast aluminum arms are cast with permanent mold process, giving superior strength and quality compared to sand casting used by competitors.

Heirloom quality 100% *RUST FREE* aluminum frame constructed with mortise and tenon style joinery.

Optional 3" thick seat cushions available in 75 fabrics.

Available in 5 textured powdercoat frame finishes.

### Cast Aluminum ■ Northampton Collection

15 year residential warranty, 5 year commercial warranty

All of our cushions are made with materials designed for outdoor use. The stuffing is made of 100% polyester fibers. 5" thick seat and 3" thick back.

Reversible cushions wrap over back for upholstered look.

Baked on polyester powdercoat finish for long lasting protection.

Flexible vinyl straps provide plush comfort and are secured to the frame with pins to eliminate any concerns of strap pullout.

9 items in collection provide tremendous design possibilities.

Available in 6 finishes and 75 fabrics.

### Windham Cushion Collection

15 year residential warranty

4" thick densified polyester fiber fill covered with a variety of weather-resistant outdoor fabrics ranging from olefins and vinyl-coated polyester to acrylic.

Fabric covered hook-and-loop style fasteners for attaching pad to frame. Cushion is reversible.

Flexible vinyl straps provide plush comfort and are secured to the frame with pins to eliminate any concerns of strap pullout.

Our finish has a baked on polyester powdercoated finish for long lasting protection.

Available in 6 finishes and 75 fabrics.

9 items in collection provide tremendous design possibilities.

Swivel Rocker adjusts to create individual comfort settings and features large 24" non-tip base.

### Key Largo Collection

15 year residential warranty

Cast aluminum arms and finial are cast with permanent mold process, giving superior strength and quality compared to sand casting used by competition.

Slings are replaceable so you can change the look without replacing the furniture.

Available in your choice of 6 powdercoat frame finishes and 65 fabrics.

Contoured back provides excellent lumbar support.

Waterfall design for added under-knee comfort.

Coordinating chaise features a 15" bed height, which is 2" higher than average to make it easier to get in and out of.

### Cast Aluminum ■ Lisbon Collection

15 year residential warranty

Maintenance-free solid aluminum construction utilizes wrought style for authentic look of old world iron work craftsmanship.

Available in 6 powdercoat frame finishes and 65 fabrics.

Oversized architectural-style rivets provide function as well as aesthetics.

Lumbar back support feature.

New for 2003 we've reclined the seat angle on this collection for added comfort.

Waterfall design for added under-knee comfort.

**Wrought Aluminum ■ Carolina Collection**  
15 year residential warranty

Slings are replaceable so you can change the look without replacing the furniture.

Baked on polyester powdercoat finish for long lasting protection.

Available in 6 finishes and 65 fabrics.

Heavy duty extruded tubular aluminum frame.

Lumbar back support feature.

360° Tig weld construction.

Pad-style feet add attractive appearance while protecting patio or deck surface.

Waterfall design for added under-knee comfort.

**Concord Sling Collection**  
15 year residential warranty

Reclined seat angle and extra large sling featuring integral headrest provide extra comfort.

Replaceable sling dries quickly.

Available in 6 powdercoat frame finishes and 65 fabrics.

Lumbar back support feature.

Extruded tubular aluminum frame and stainless steel bolts prevent rust.

Sled base design is ideal on wooden decks.

**Caneel Bay Sling Collection**  
15 year residential warranty

Baked on polyester powdercoat finish for long lasting protection.

Replaceable weather resistant sling.

Available in 6 finishes and 65 fabrics.

Cantilevered arm featured on our chaise, along with higher than usual seat height, makes our chaise easier to get in and out of than any chaise on the market.

For our 2003 collection, we have added a contour chaise and bar height swivel for unique seating options.

Lumbar back support feature.

Unique cantilevered arm design provides unrestricted movement and many comfortable seating positions.

**Spectra Sling Collection**  
15 year residential warranty

Available in 6 powdercoat frame finishes and 65 fabrics.

Replaceable weather resistant sling.

Reclining seat angle and extra large sling provide extra comfort.

10 items in collection, including bar height pieces, for a variety of seating options.

Stacking design provides efficient transport and storage.

Coordinates beautifully with Windham Cushion, Key Largo Cushion and Windham Contract Strap.

Lumbar back support feature.

Replaceable plastic glides match shape & color of frame while they protect deck or patio surface.

**Windham Sling Collection**  
15 year residential warranty

Baked on polyester powdercoat finish for long lasting protection.

Replaceable weather resistant sling.

Classic Telescope chair profile is protected by U.S. Design Patent.

Available in 6 finishes and 65 fabrics.

8 pieces in collection, including super comfortable multi-position recliners, provide endless decorating options.

Lumbar back support feature.

Stacking design provides efficient transport and storage.

**Primera Sling Collection**  
15 year residential warranty

Baked on polyester powdercoat finish for long lasting protection.

Replaceable weather resistant sling.

Available in 6 finishes and 65 fabrics.

Stacking design provides efficient transport and storage.

Heavy duty extruded tubular aluminum frame.

Lumbar back support feature.

New for 2003, this collection features adjustable swivel rocker and chaise.

**Aruba Sling Collection**  
15 year residential warranty

Rainbow of solid color fabrics are stocked in this collection for high visual impact.

Replaceable weather resistant sling.

Available in 6 powdercoat frame finishes and 65 fabrics.

Heavy duty extruded tubular aluminum frame.

Lumbar back support feature.

Unlimited stacking design provides efficient transport and storage.

Rugged frame with wide cross bar for extra rigidity.

**Gardenella Sling Collection**  
15 year residential warranty

Baked on polyester powdercoated finish for long lasting protection.

Replaceable weather resistant sling.

Narrower width maximizes amount of seating around table for entertaining.

Available in 6 finishes and 10 commercial grade heavyweave fabrics.

Heavy duty extruded tubular aluminum frame.

Unique double support bar design.

Lumbar back support feature.

Replaceable plastic gildes match shape and color of frame while they protect the deck or patio surface.

Protective bumpers protect chairs while stacked.

Stacking arm chair and chaise designed for efficient transport and storage.

**Vanese Sling Collection**

15 year residential warranty, 5 year commercial warranty

Replaceable straps. The straps are folded, welded and securely inserted into the frame. Yet they are easily replaceable.

New for 2003, this collection also includes a four-position chaise and adjustable swivel rocker.

Heavy duty extruded tubular aluminum frame.

Available in 6 powdercoat frame finishes and 28 strap colors.

Pad-style feet add attractive appearance while protecting deck or patio surface.

Long lasting commercial grade vinyl strap with UV stabilizers.

**Montserrat Strap Collection**

15 year residential warranty, 5 year commercial warranty

Coordinates perfectly with Windham Cushion, Key Largo and Windham Sling Collections.

Replaceable straps are securely pinned for extra durability.

Baked on polyester powdercoat finish for long lasting protection.

Available in 6 finishes and 28 strap colors.

Choose your own eye catching color combination.

Heavy duty extruded tubular aluminum frame.

Rust-free stainless steel bolts.

Long lasting commercial grade vinyl strap with ultraviolet stabilizers.

**Windham Contract Strap Collection**

15 year residential warranty, 5 year commercial warranty

High strength 1 1/4" aluminum tubing for added strength.

Strap locks securely into specially designed channel. Individual straps can be replaced if necessary.

Unlimited stacking for easy storage.

Available in 6 powdercoat frame finishes and 28 strap colors.

Long lasting commercial grade vinyl strap with UV stabilizers.

Durable replaceable plastic skid plates protect deck or patio surfaces.

New for 2003, armless chaise with many more innovative features. Please refer to our contract catalog.

**Gardenella Strap Collection**

15 year residential warranty, 5 year commercial warranty

All back covers have a non-sag feature. One size seat and back fits all Director Chairs. 19 Canvas Covers and 10 Heavyweave Mesh Covers to choose from.

All frames are select, kiln-dried solid hardwoods. They are shaped and hand sanded.

The tapered, shaped legs are nailed securely into a beveled seat block with mortise and tenon style joinery.

Self-leveling plastic glides on the legs help to prevent marring of floors. Screws make these glides easily replaceable.

All wood parts are precision-milled, pressed together and nailed for maximum rigidity.

The seating material slips into a specially designed groove. No tools are needed.

Extra Heavy-duty, corrosion-resistant, zinc-plated steel braces are 50% stronger than previous braces.

Extra-strong leg braces are nailed securely into the legs.

### Director Chair Collection

The fabric is quality vinyl-coated polyester mesh or 100% polyester. Fabric is weather resistant and securely attached using zinc plated nails.

Features integrated towel rack.

All arms are select, kiln-dried solid hardwoods. They are shaped and hand sanded.

Hardwood parts have two coats of heavy-duty polyurethane varnish.

Frames are 1" diameter aluminum tubing, extruded and drawn for extra strength.

### Telaweave Folding & Beach Chair Collection

Telescope's original multi-position adjustment mechanism has non-pinch feature. Competitive chairs can pinch fingers. Adjusts to 4 positions, including lay-flat.

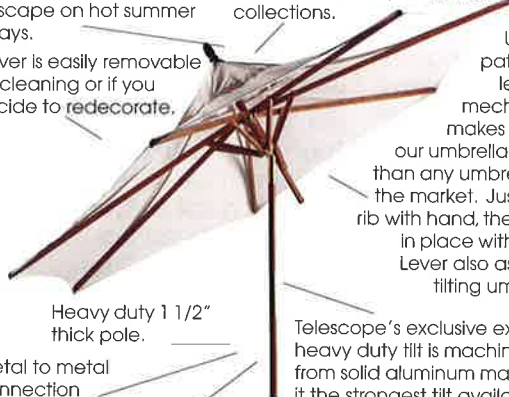

Frame assembled using zinc-plated rivets and screws.

Telescope exclusive support braces provide unparalleled strength and rigidity.

Wind vent adds attractive appearance and allows heat to escape on hot summer days.

Cover is easily removable for cleaning or if you decide to redecorate.

Metal to metal connection between upper & lower poles means poles will separate easily for storage.

Heavy duty 1 1/2" thick pole.

Available in solid ash wood or 5 powdercoat frame finishes and 75 fabrics to match your furniture collections.

Unique patented lever lift mechanism makes raising our umbrella easier than any umbrella on the market. Just raise rib with hand, then lock in place with lever. Lever also assists in tilting umbrella.

Telescope's exclusive extra heavy duty tilt is machined from solid aluminum making it the strongest tilt available. All parts are easily replaceable with stainless steel screws in case breakage ever does occur, protecting your investment.

### Market Umbrellas

Choose from 98 fabrics.

Heavy duty ribs are more than 50% stronger than umbrellas offered by our competitors.

Heavyweave shade factor fabrics available in many colors for extra protection from the sun.

The easy-to-use crank has a position braking system to eliminate accidental lowering.

Umbrella poles utilize heavy wall tubing, 20% to 40% stronger than umbrellas offered by our competitors.

### Drape Umbrellas

Available in 6 baked-on polyester powdercoat frame finishes for long lasting protection.

Tempered glass with clear plastic umbrella hole plug included.

Our standard and deluxe style tables slip together using just three components, providing efficient storage as well as easy assembly, no tools required.

Heavy duty aluminum extrusions used for table rim and legs provide strength while preventing rust.

Plastic glides help prevent marring of deck or patio surface.

### Tables

Available in 6 powdercoat frame finishes.

Tempered glass with clear plastic umbrella hole plug included.

Pedestal style base provides extra room for your knees.

Pad style feet with plastic glides enhance appearance while protecting deck or patio surface.

New improvements including spring caps for the legs, a new heavy duty leg extrusion, and a new screw type provide much easier assembly and a substantially more rigid table after assembly. We've combined the benefits of efficient transport and storage with the attractiveness and durability of a welded together design.

### Designer Tables

# Warranty & Service

## Warranty

If your Telescope powder-coated frame fails structurally during normal usage within 15 years from the date of purchase, we will repair, refinish or replace the frame without charge, parts and labor included. (In the case of discontinued models or finishes, we will replace the item with the closest comparable current model.) The finish is warranted against peeling, cracking or blistering for a period of 3 years from the date of purchase.

Not included in our "powder-coat" warranty are table tops, umbrellas, terrace shells and market bases, wood furniture, cushions, slings and folding aluminum furniture. These products are warranted for one year to be free of manufacturing defects. Our steel market bases, if not properly maintained, will rust if the finish is scratched through to the metal. If this occurs, it must be touched up with an acrylic based paint.

The natural weathering of wood finishes, breakage of glass, fading, staining and mildewing of fabrics, slings and strapping or the compression of cushion fillings and the rusting of market bases are not covered under warranty.

This warranty does not cover the failure of furniture that, in our opinion, was caused by acts of God, or by unreasonable or abusive use, and is void if our care and maintenance instructions were not properly followed.

Furniture used in a commercial setting is not warranted unless it is specifically designated for commercial use as noted by a CQ (commercial quality) in our price index, in which case it is warranted for one year from the date of purchase. Furniture stored outside or in other cold storage should be drained of any water. If allowed to freeze inside the furniture, water can damage the tubing. Such damage is not covered under our product warranty.

To obtain service, contact

our Customer Service Department in writing, stating the problem and providing proof of purchase. A Return Merchandise Authorization will be sent to you giving instructions for returning items if necessary. No returns will be accepted by our factory without prior written authorization from our Customer Service Department. After authorization is received your furniture must be returned to the factory in proper packaging, freight prepaid.

This warranty applies only to furniture manufactured by Telescope Casual Furniture, Inc., after September 1, 1986. This warranty is in lieu of any other warranty, expressed or implied by law.

## Custom Designs

In quantities of 50 chairs or more, Telescope will silk screen the customer's artwork on the backs of our famous beach chairs. The following charges are added to the #741 Mini-Sun Chaise, or the #733 Sun & Sand Chair: \$60 Net for one screen, one color printing (One time charge); \$50 Net for each additional color (One time charge). A printing charge of \$.50 per color, per cover will be added to the screen cost. All re-orders will require a \$10 net set-up charge. We will store customer screens for a maximum of two years from the date of customer's last purchase. Polyester fabric is available in Red, Cobalt, Lakeside Blue, Teal, Royal Blue and Forest Green. Order requirements: Minimum order is 50 chairs. Delivered quantities must be flexible by plus or minus 5% (for example, an order of 300 chairs must be flexible from 285 to 315 chairs). We require 50% deposit on all custom orders. Camera ready artwork must be provided by the customer. Allow 4 to 6 weeks delivery time. Reproductions of trademarks require written approval by owner or licensee.

## Customer Service

For information on routing, tracing and shipping lines, please contact the Telescope Traffic Department. To place or check

on orders, inquire about shipping date or to have your Telescope Sales Representative visit you, please contact Telescope Customer Service Department. For advertising needs, black and white glossies, line drawings and other promotional materials, please contact the Telescope Advertising Department. For premium and incentive information please contact the Telescope Premium Sales Department.

## "Anything On Anything"

### Telescope's Quick Ship and Special Order Policies:

Now your choices are practically endless. Telescope is offering you the choice of any suitable fabric and any frame color you want. Some restrictions apply, so use our Price Index to determine the many possible combinations. We still offer our popular core "quick ship" items in each collection, which we attempt to keep in stock for quick delivery to your location. While we cannot guarantee these items will be in stock at any given time, selecting these items helps us to serve you and your customer better. Refer to each collection in this catalog to see the fabrics and frame colors that are a part of our "quick ship" program.

But if you are searching for a uniquely different look, we can make a wide variety of specials for you with no minimum order. You can use pages 114-117 of this catalog to determine whether or not a fabric can be used for an application by looking at the symbols printed under each fabric. The "Key:" at the bottom of pages 114-117 explains all of the symbols used. The fabric can be used for only those applications listed. We will attempt to ship these specials within 4 to 6 weeks. Telescope reserves the right to split shipment of special orders, but we guarantee that the freight cost will not be greater than if the order was shipped all at once. Director Chairs and silver aluminum furniture are excluded from this program.

# Telescope's Care & Maintenance

## **Solution Dyed Acrylic Fabric**

(solid and stripes)

Spot wash dirt with lukewarm water and a mild soap. Rinse thoroughly with clean water, then air-dry. To clean mildew stains, in a ventilated area, prepare a mild solution of one cup bleach plus two caps full of a natural soap per gallon of water. Spray the entire area, and scrub vigorously if necessary. You may wish to spray the fabric with Scotchguard after washing.

## **Polyester and Acrylic Print Fabric**

A soapy solution of Ivory Liquid and lukewarm water will remove common dirt. **DO NOT USE BLEACH OR OTHER HARSH DETERGENTS. DO NOT PLACE IN DRYER.**

## **PVC/Acrylic Blend Fabrics**

Dirt can be removed with a soapy solution of warm water and Ivory Liquid. Do not use pine oil cleansers. Rinse and allow to dry.

## **Telaweave Mesh Fabrics**

Soak the entire area with warm water and detergent. A small amount of chlorine bleach can be added to remove stubborn stains.

## **Olefin Fabric**

Use mild detergent such as Ivory Liquid and water. Chlorine bleach can be used on stubborn stains.

## **Aluminum Frames, including Powder-Coat**

To keep furniture looking new, use Soft Scrub or similar non-abrasive products to remove scuff marks and scratches. Non-textured frames should be waxed once or twice a year with an automotive paste wax to maintain luster. Wax will make washing and cleaning easier. Do not use paste wax on textured finishes. Instead use lemon oil for protection and natural soap and water for cleaning.

## **PVC Strap Furniture**

Telescope Straps can be cleaned using a soapy solution of warm water and Ivory Liquid. Hose down to rinse and **DO NOT USE** pine oil cleansers or harsh abrasives. Straps can be easily replaced by the consumer by heating the strap in hot water and attaching it to the frame while hot. As the straps cool down, they will shrink for a snug fit.

## **Winter Maintenance**

Furniture that will be stored outside or in other cold areas should be drained of any water to avoid ice damage in the tubing.

# Patent Protection

## **Telescope products are**

**protected by the following patents:** 4,201,416 / 4,230,363 / 4,252,367 / 4,264,230 / 4,273,379 / 4,315,467 / D-263,526 / D-263,654 / 4,467,730 / 4,514,009 / D-278,804 / D-280,473 / D-280,474 / 4,541,666 / D-280,683 / D-281,037 / D-281,378 / D-284,143 / D-287,316 / D-287,552 / D-289,349 / D-290,068 / D-292,854 / 4,867,505 / D-306,530 / 4,941,413 / 4,471,394 / 4,638,827 / 4,674,524 / D-358,264 / 5,499,585 / 5,593,205 / 5,599,064 / 5,711,333 / D-386,321 / D-405,580 / 5,871,024 / 5,927,812 / D-429,424.

# Telescope's Advertising & Marketing Support

## Marketing Tools

Telescope has a complete line of visual aids, display material and brochures to help our dealers. We feel that this support material will be helpful as sales tools to enhance the merchandise in your showroom.

We are a member and sponsor of the Home Furnishings Council, National Association of Casual Furniture Retailers, Summer & Casual Furniture Manufacturers Association and Hearth, Patio & Barbeque Association.

## Internet Web site

Telescope is featured on the World Wide Web with our own Web site. We offer our full product line plus dealer locations for the consumer.

Our domain name is...

**[www.telescopecasual.com](http://www.telescopecasual.com)**

Plus we have two other special web sites with...

**[www.telescopebeachchairs.com](http://www.telescopebeachchairs.com)**

**[www.directorchairs.com](http://www.directorchairs.com)**

## High Resolution Color Photos

Telescope offers three ways to retrieve full color quality photos from this catalog.

1. Our Digital Library is located on our main Web site. This is ideal for downloading high or low resolution photos directly to your computer. The username is *telescope* and the password is *advertising*.

2. A set of High Resolution CD Disks are available in PC or MAC format.

3. We offer a full supply of 4x5 color transparencies.

## TeleCompute 2003

Telescope offers an extensive Windows-based computer program to help dealers price their line. Dealers can customize individual or overall prices to achieve the margins they de-

sire. Custom Price Lists can then be printed.

## Television Commercials

We have created a fully produced commercial package offering a creative :30 second television spot with a :05 second dealer logo and address tag at the end.

We have also produced a second option...a commercial donut...so you can create your own spot with raw footage of several of our top collections in attractive home settings.

These spots are shot on film and produced on broadcast Beta tape at no charge to you.

## Brochures

### & Handout Material

We have expanded our consumer catalog. The consumer brochure is designed as a mini-catalog. We have also expanded our Contract Catalog and Price Index.

Each dealer can receive 100 consumer catalogs plus 25 contract catalogs with Price Index at no charge.

## Visual Aids and Point of Purchase Material

Telescope has a full supply of visual aid material to assist you with all of your marketing and printing needs. We offer an advertising catalog of camera ready line drawings for newspa-

per advertisements. You can also download our line drawings from the digital library on Telescope's main Web site. We offer a 20 minute product knowledge tape.

Telescope will offer a variety of point of purchase displays and easel displays to use in your showroom, plus a quality 3ft. x 5ft. banner to display outside or inside your location.

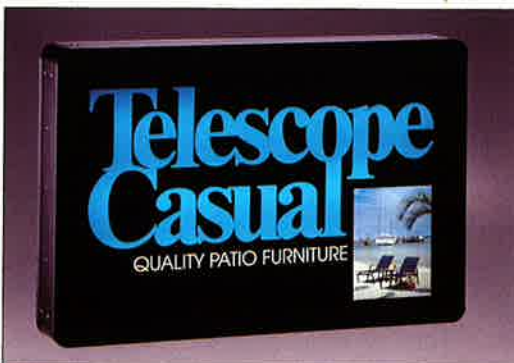

We will offer a set of 2ft. x 3ft. full color wall posters to display, plus a series of hang tags and sale signs to be displayed with our product. All this is at no charge to our valued dealers.

## Merchandise Display Racks

Telescope offers 2 types of Director Chair Seat & Back holders. One is the freestanding #9900 Swivel Display Rack that holds up to 144 covers. The other is the #9950 Wall Display Rack that holds 72 covers. New for 2003, Telescope will also offer an attractive Director Chair Display that also holds covers.

## Truckload Sale Promotion

We will send one of our custom Telescope trucks to your location for a weekend to sell our product right out of the truck. This is a great promotion for any special event or weekend sale.

## Dealer Backlit Sign

We offer a 2ft. x 3ft. full color two sided backlit Telescope logo sign for your window or wall display. The fluorescent lamps evenly illuminate the image.

# TELESCOPE COT BED

**"THE HANDY"**

*Copyrighted.*

PATENTED IN  
U. S.
