

TELESCOPE CASUAL

F U R N I T U R E

2010 COLLECTION

A CENTURY-LONG JOURNEY TO EXCELLENCE

In 1903, the Telescope Cot Bed & Novelty Company in New York City started manufacturing cots and campstools with “telescoping” legs that were popular among the military. In addition to our factory in midtown Manhattan, Telescope’s sawmills were located in Pennsylvania until 1921 when Telescope moved to the lush countryside of Granville, New York. Granville and the surrounding areas not only offered acres of woodlands, but also hard working laborers and railroads that allowed the trains to run through the new plant. After the sales and administration moved from New York City in 1932, the entire operation was located in Granville and Telescope embarked on a transformation that would eventually establish the company as a leader in casual furniture.

To evolve with an expanding product line, the Granville plant has had to constantly make renovations to the nearly one-million square foot facility and make concentrated efforts in research, development, engineering and unique manufacturing processes. Telescope has always been self sufficient, which has allowed us to remain competitive in today’s market by responding quickly and finding innovative methods for manufacturing. For over 100 years Telescope has remained a remarkably successful family owned business currently managed by the fourth and fifth generation, and headed by Kathy Juckett. More than 300 employees maintain a close working relationship with the Vanderminden family and management team. Much of Telescope’s success is owed to the talented and skilled work force that takes pride in their craftsmanship, and the professional sales force who work closely with dealers to ensure every customer’s expectations are exceeded by their Telescope experience.

Telescope’s goals are to focus on providing the highest levels of Quality, Design, Comfort, Selection and Fast/Consistent Delivery. None of these characteristics are easy to deliver, but we know that they are critically important to retailers and consumers alike. In acknowledgement of this hard work, Telescope is proud and humbled to have once again received top honors in *Hearth & Home Magazine’s* annual survey of retailers in which Telescope was ranked #1 in Quality and #1 in Fast/Consistent Delivery for the fourth year in a row! Now in a brand new survey category, Most Salable Designs, Telescope has again taken the #1 spot!

The future for Telescope will be reminiscent of the first 100 years. Telescope remains committed to being an industry pioneer by introducing new innovations and products while preserving our well deserved reputation for the highest quality and unsurpassed customer service. This genuine commitment has served Telescope well for over a century and will continue to be our goal in shaping the casual furniture industry.

TOP 10 REASONS FOR CHOOSING TELESCOPE DIRECTOR CHAIRS

Quality standards are maintained and improved by independent lab testing and Telescope's own testing facilities.

All frames are select, kiln-dried solid hardwoods. They are shaped and hand sanded.

The seating material slips into a specially designed groove. No tools are needed.

The tapered, shaped legs are nailed securely into a beveled seat block with mortise and tenon style joinery.

The arm and chair framing folds down compactly and packs easily into a box.

All back covers have a non-sag feature. One size seat and back fits all Director Chairs.

All wood parts are precision-milled, pressed together and nailed for maximum rigidity.

Extra Heavy-duty, corrosion-resistant, zinc-plated steel braces are 50% stronger than previous braces.

Extra-strong leg braces are nailed securely into the legs.

Self-leveling plastic glides on the legs help to prevent marring of floors. Screws make these glides easily replaceable.

The Original World Famous Director Chair

No other director chair offers you so much. Eye catching design, personal comfort, quality construction and economical pricing. Don't be fooled by imitations. Demand the original director chair by Telescope...Telescope invented the slip-in seat and back design in 1953. Patented for many years, our World Famous chair eventually became the industry standard. Perfect for Trade Shows, Exhibits, Hospitality Suites, Showrooms, Office Interiors and so much more. Ideal for Prizes, Incentives and Awards. An outstanding selection of fabrics, finishes and seat heights to choose from. We offer two styles of Director Chairs...The World Famous and The Celebrity.

TABLES

ACCESSORY, CONVERSATION, DINING, COUNTER & BAR HEIGHTS

Telescope umbrella tables feature a strong aluminum banded table rim and leg assembly with a durable baked on polyester finish in white, snow, aspen green, aged bronze, black, espresso, graphite, canyon, desert and mahogany. The knock-down (KD) feature of many of our tables provides efficient storage as well as easy assembly. Plastic glides on all legs help to protect the deck or patio surface. The glass used in our tables is tempered for extra strength. An umbrella hole protective ring and plug are included. Most of our tables are available in all 10 frame finishes. Please refer to our Price Index for details.

CONTRACT FURNITURE

For 2010, Telescope has greatly expanded our Contract Furniture offerings. In addition to our reinvented Windham Double Wrap Strap Collection, we have a complete new Fortis Strap Collection, formerly called Oceanside Contract Strap. Rounding out the selection is our value priced Reliance Strap Collection. Both the Fortis Strap and Reliance Strap Collections feature our patented welded strap system.

Telescope is known for our sling furniture. In addition to our popular Vanese Contract Sling Collection, we now have a stylish and smart Fortis Contract Sling Collection made specifically with commercial needs in mind.

If outdoor restaurant/cafe dining solutions are what you need, Telescope has that covered with our amazing new Avant Collection and our pedestal table selection. Avant is an elegant combination of tubular aluminum and Marine Grade Polymer making the perfect outdoor restaurant chair. In addition to our popular cast pedestal tables, we now have tables featuring durable rotomolded bases and a choice of Solid Surface Acrylic or Werzalit tops.

Whether you want to create an outdoor bistro dining experience, a comfortable outdoor gathering area or a poolside lounge, collections are available for your property's contract/commercial furniture needs.

WARRANTY & SERVICE

Limited Warranty

Telescope warrants its furniture for either 15 years or 1 year in residential use, and for select items either 5 years, 3 years, or 1 year for contract/commercial use. The products in this catalog are identified as either 15/5, 15/3, 15/1 or no identification at all. 15/5 indicates 15 year residential/5 year contract use. 15/3 indicates 15 year residential/3 year contract use. 15/1 indicates 15 year residential/1 year contract use. No indication indicates 1 year residential use and no contract warranty. Other specific exclusions or coverages are listed below.

If your Telescope powder coat aluminum frame or marine grade polymer frame fails structurally during normal usage within the years defined above from the date of purchase, we will repair, refinish or replace the frame without charge, parts and labor included. (In the case of discontinued models or finishes, we will replace the item with the closest comparable current model.) The powdercoat finish is warranted against peeling, cracking or blistering for a period of 3 years from the date of purchase.

Our vinyl straps are warranted against breakage and gross discoloration for a period of 3 years from the date of purchase. In the case of breakage or gross discoloration (our judgement) replacement straps will be provided (labor not included).

Not included in our "powder coat" warranty are table tops, umbrellas, terrace shells and market bases, wood furniture, cushions, slings and folding aluminum furniture. Unless otherwise noted, these products are warranted for one year to be free of manufacturing defects. Our cast iron and steel market bases, if not properly maintained, will rust if the finish is scratched through to the metal. If this occurs, it must be touched up with an acrylic based paint.

Our non-glass table tops are warranted for three years from date of purchase against manufacturing defects. Fading or staining of the table surface is not included under warranty. Tables must not be stored upside down.

Our Banquet folding aluminum chair is warranted for 3 years from date of purchase against manufacturing defects for residential use.

The wicker fibers featured in our Wicker Collections are warranted by the fiber manufacturer for 3 years from the date of purchase. Please refer to our Price Index or contact our Customer Service Department for details on this wicker fiber warranty.

The natural weathering of wood finishes, breakage of glass, fading, staining and mildewing of fabrics, slings and strapping or the compression of cushion fillings and the rusting of market bases are not covered under warranty.

This warranty does not cover the failure of furniture that, in our opinion, was caused by acts of God, accident, neglect, improper shipping or handling, or by unreasonable or abusive use, and is void if our care and maintenance instructions were not properly followed. Furniture used in a commercial setting is not warranted unless it is specifically designated for commercial use as defined above. Furniture stored outside or in other cold storage should be drained of any water. If allowed to freeze inside the furniture, water can damage the tubing. Such damage is not covered under our product warranty.

To obtain service, contact our Customer Service Department in writing at Telescope Casual Furniture, Inc., 82 Church Street, Granville, NY 12832, stating the problem, providing pictures and providing proof of purchase. A Return Merchandise Authorization will be sent to you giving instructions for returning items if necessary. No returns will be accepted by our factory without prior written authorization from our Customer Service Department. After authorization is received your furniture must be returned to the factory in proper packaging, freight prepaid.

This warranty applies only to furniture manufactured by Telescope Casual Furniture, Inc., after September 1, 1986 and is limited to the years defined above from the date of purchase.

This warranty is in lieu of any other warranty, expressed or implied by law. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
