

2012 COLLECTION

TELESCOPE
CASUAL
FURNITURE

A RICH HISTORY, A BRIGHT FUTURE

In New York City in 1903, the Telescope Cot Bed & Novelty Company started manufacturing cots and campstools with “telescoping” legs that gave the fledgling company its unique name. Now, 109 years later we are featuring our beautiful Brio Collection overlooking a midtown Manhattan that looks decidedly different than when we first started our company. In addition to our factory in midtown Manhattan, Telescope’s sawmills were located in Pennsylvania until 1921 when Telescope moved to the lush countryside of Granville, New York. Granville not only offered acres of woodlands, but also hard working laborers and railroads to support our new facility. After the sales and administration moved from New York City in 1932, the entire operation was located in Granville and Telescope embarked on a transformation that would eventually establish the company as a leader in casual furniture.

To evolve with an expanding product line, the Granville plant has continually made renovations to the nearly one-million square foot facility along with concentrated efforts in research, development, engineering and unique manufacturing processes. Telescope has always been self sufficient, which has allowed us to remain competitive in today’s market by responding quickly and finding innovative methods for manufacturing. For over 100 years Telescope has remained a remarkably successful family owned business currently managed by the fourth and fifth generation, and headed by Kathy Juckett. More than 300 employees maintain a close working relationship with the Vanderminden family and management team. Much of Telescope’s success is owed to the talented and skilled work force that takes pride in their craftsmanship, and the professional sales force who work tirelessly to ensure every customer’s expectations are exceeded by their Telescope experience. Telescope’s goals are to focus on providing the highest levels of Quality, Design, Comfort, Selection and Fast/Consistent Delivery. None of these characteristics are easy to deliver, but we know that they are critically important. Telescope is proud to have earned the reputation as having the best customer service, the fastest delivery and the best quality products in the industry. Our entire team is working every day to prove to the world that our reputation is well deserved.

The future for Telescope will be reminiscent of the first 109 years. Telescope remains committed to being an industry pioneer by introducing new innovations and products while preserving our well deserved reputation for the highest quality and unsurpassed customer service. This genuine commitment has served Telescope well for over a century and will continue to be our goal in shaping the casual furniture industry.

Marine Grade Polymer Features & Benefits

(Some attributes below do not apply to the Avant Collection)

Comparative Information

- Will not crack, rot or separate in any outdoor environment.
- Has zero porosity and will not absorb water.
- Color pigment is all through the material, so a slightly scratched surface is less noticeable.
- Presents no fire hazard. It must be preheated before ignition occurs.
- Resistant to most chemicals.

Environmental Information

- Contains over 30% recycled resin. The use of some virgin resin insures quality and consistency in the final product.
- The raw materials, equipment and processes emit no harmful gases or byproducts into the atmosphere.
- Material waste is recycled back into the original product.
- Fabricating and cutting produces no harmful dust, but instead small shavings that can be recycled.
- Contains no known harmful substances, including carcinogens, toxins or bioaccumulative materials. If burned, no harmful gases are emitted.
- There is no off-gassing when cut and fabricated.
- No acids or harsh chemicals are necessary for cleaning or maintenance.

Quality Resins

- Made from only FDA approved resins.
- Resins have the most favorable NFPA (fire) and HMIS (hazardous material) ratings.

Green Standards (Excluding Avant)

- LEED. (U.S. Green Building Council) - For furniture created with our Marine Grade Polymer: 0.5 point – MR credit 2.2, Environmentally Preferable Products, LEED For Homes

TENSION MARKET & COMMERCIAL UMBRELLA MECHANISMS

Simple yet effective, our unique and patent-pending mechanisms allow you to raise and lower your umbrella by simply pulling on the ribs or pushing on the fabric. This design is especially helpful with the use of larger dining tables where access to the umbrella crank is limited. It also adds to the durability and aesthetics of the umbrella.

To Open... Simply Pull Upward on any Rib

To Close... Push Down on Fabric Panels Between the Ribs

MARKET UMBRELLAS

8', 9' & 10' Tension Market Umbrellas 1/1

8', 9' & 10' No Tilt
Tension Market Umbrellas 3/3

Our strong support ribs are designed so the fabric sets off from the rib, plus the fabric snaps on and off easily.

Tension Market Umbrellas

Our Tension Umbrella combines a patent-pending frame with our previous Lever-Lift umbrella covers to provide the easy open and close feature like our popular Commercial Market Umbrella. Our Tension Umbrellas are also available in Value Olefin shown on page 69.

3/3= 3 year residential/3 year contract warranty. 1/1= 1 year residential/1 year contract warranty.

Value Market Umbrellas

The Value Market Umbrellas feature excellent quality at an attractive price. We are offering an 11 ft diameter aluminum auto-tilt market umbrella along with our 9 ft diameter aluminum auto-tilt market umbrella available in six powder coat finishes that coordinate nicely with Telescope's finishes. In addition, you can order these Value Umbrellas in any Telescope fabric suitable for use on market umbrellas.

1/1= 1 year residential/1 year contract warranty.

COMMERCIAL UMBRELLAS

9' Commercial Market Umbrella 3/3

6' Square Commercial Market Umbrella 3/3

Our 6' Square Commercial Market Umbrella design is perfect for smaller spaces. As with our 9' Commercial Umbrella, this super durable market umbrella utilizes a pocket for the cover rather than snaps. It's also extremely easy to open by simply pulling on one of the ribs. Close the umbrella by simply pushing on the fabric between the ribs. Available in 10 frame finishes. In addition to our wide range of available fabrics, our Commercial Umbrellas are also available in Value Olefin shown on page 69.

3/3= 3 year residential/3 year contract warranty.

Our super durable support ribs are designed for maximum strength and allow the umbrella to be opened very easily from any rib.

DRAPE UMBRELLAS

DIRECTOR CHAIRS

World Famous Director Chair Collection

Telescope's World Famous Director Chair is soundly constructed using the finest solid North American hardwood. Made in the U.S.A., this is the finest chair in the industry. Canvas covers are custom dyed with the finest vat dyes available. Arms are shaped and sanded by hand for maximum comfort and smoothness. The heavy duty shaped legs of the World Famous Chair set it apart from the crowd. Corner bracing on the counter and bar height designs insure long term rigidity of these frames. Chairs fold compactly, arm assembly folds down flat and packs easily. Available in three seat heights and four frame finishes.

Top 10 Reasons for Choosing Telescope Director Chairs

Quality standards are maintained and improved by independent lab testing and Telescope's own testing facilities.

All frames are select, kiln-dried solid hardwoods. They are shaped and hand sanded.

The seating material slips into a specially designed groove. No tools are needed.

The tapered, shaped legs are nailed securely into a beveled seat block with mortise and tenon style joinery.

The arm and chair framing folds down compactly and packs easily into a box.

All back covers have a non-sag feature. One size seat and back fits all Director Chairs.

All wood parts are precision-milled, pressed together and nailed for maximum rigidity.

Extra Heavy-duty, corrosion-resistant, zinc-plated steel braces are 50% stronger than previous braces.

Extra-strong leg braces are nailed securely into the legs.

Self-leveling plastic glides on the legs help to prevent marring of floors. Screws make these glides easily replaceable.

The Original World Famous Director Chair

No other director chair offers you so much. Eye catching design, personal comfort, quality construction and economical pricing. Don't be fooled by imitations. Demand the original director chair by Telescope...Telescope invented the slip-in seat and back design in 1953. Patented for many years, our World Famous chair eventually became the industry standard. Perfect for Trade Shows, Exhibits, Hospitality Suites, Showrooms, Office Interiors and so much more. Ideal for Prizes, Incentives and Awards. An outstanding selection of fabrics, finishes and seat heights to choose from. We offer two styles of Director Chairs...The World Famous and The Celebrity II.

CONTRACT FURNITURE

Telescope has greatly expanded our Contract Furniture offerings. Whether you want to create an outdoor bistro dining experience, a comfortable outdoor gathering area or a poolside lounge, collections are available for your property's contract/commercial furniture needs. We have a wide range of Strap, Wicker, Marine Grade Polymer, Cast and Contract Sling collections to choose from as well as an expansive collection of contract quality tables. Refer to our contract catalog for a complete listing of Telescope's contract offering.

ADVERTISING PROGRAM

Truckload Sale Promotion

We offer a two-day Telescope Truckload Sale for Saturday and Sunday, utilizing one of Telescope's graphic trucks. Dealers that have taken advantage of this special offer have experienced high traffic, high dollar sales events.

There will be no additional expense to you for the use of our truck. It must be a full truckload order. The freight rate for this truck will be subject to Telescope Freight Program as published for the 2012 season. Telescope will pick up the cost of the truck staying on site for the sale. In the event that you have any merchandise left after the sale, it would go into your warehouse.

You must advertise this event. Telescope Truckload Sale line art and color photos can be downloaded from our digital library on our Web site. To help defer the advertising cost, Telescope will offer a special 50/50 co-op advertising program for this event. The maximum media expense for Telescope is \$1000 per "Truckload Sale." Only newspaper

advertisements, inserts, radio and television will qualify for this co-op credit. With your truckload shipment, we will include our 18 ft. Telescope balloon (see insert above) to help promote this special event. A usage agreement must be completed before use of the balloon is permitted. Your employees will also receive Telescope golf shirts to wear for the sale. This program is for the northeast, extending south to Florida, and as far west as Chicago.

Marketing items

As part of Telescope's commitment to offer the best support material possible, we have a large assortment of items for our dealers.

Consumer catalogs	Telescope's story DVD	Strap samples

Graphic Support Materials

Telescope has the material available for any printing, design or graphic need. We offer three ways to retrieve full color quality photos from our catalog.

1. Our Digital Library, for quick easy access, which is explained below.
2. A set of High Resolution CD's are available.
3. Any other high res file on request.

TELESCOPE'S DIGITAL PHOTO LIBRARY

Through our Web site, you are able to retrieve high res photo images from our Digital Library using a user name and password. You are able to download high res JPEG images onto your computer. Every image featured in the current catalog will be available to download, as well as other images from year's past.

Go to Telescope's Web site: www.TelescopeCasual.com
Then access the Telescope Digital Library Link on the lower menu.

WARRANTY & SERVICE

Limited Warranty

Frames and Powder Coat: If your Telescope powder coat aluminum frame or marine grade polymer frame fails structurally during normal usage within the applicable warranty period (as defined below), we will repair, refinish or replace the frame without charge, parts and labor included. (In the case of discontinued models or finishes, we will replace the item with the closest comparable current model.) Products covered by our frame warranty are identified in our catalog as either **15/5**, **15/3**, **15/1** or no identification at all. **15/5** indicates a frame warranty period of 15 years in residential use/5 years in contract use. **15/3** indicates a frame warranty period of 15 years in residential use/3 years in contract use. **15/1** indicates a frame warranty period of 15 years in residential use/1 year in contract use. No indication indicates a frame warranty period of 1 year in residential use and that there is no frame warranty in contract use. All warranty periods commence on the date of purchase. Contract use includes any rental, business, commercial, institutional, or other non-residential use.

The powder coat finish on our powder coat aluminum frame furniture is warranted against peeling, cracking or blistering for a period of 3 years from the date of purchase. Failure of the powder coat finish due to abrasion, including abrasion caused by stacking the furniture against other furniture or scraping against other surfaces, is not covered by this warranty.

The following products are not covered by our frame and powder coat warranties: table tops, umbrellas, umbrella bases, wood furniture, cushions, slings, straps, wicker fibers, and folding aluminum furniture.

Non-Glass Table Tops: Non-glass table tops are warranted to be free from manufacturing defects for 3 years from date of purchase, except Werzalit table tops which are warranted for 1 year from date of purchase. Fading or staining of the table surface is not included under warranty. Tables must not be stored upside down.

Umbrellas and Umbrella Bases: Umbrellas and umbrella bases are warranted to be free of manufacturing defects for either 1 year or 3 years from the date of purchase, as identified in our catalog and price lists by the following indicators: **3/3** indicates 3 years in residential use/3 years in contract use; **1/1** indicates 1 year in residential use/1 year in contract use. Cast iron and steel bases, if not properly maintained, will rust if the finish is scratched through to the metal.

Wood Furniture, Cushions, Slings, and Folding Aluminum Furniture: Wood furniture, cushions, slings, and folding aluminum furniture are warranted to be free of manufacturing defects for 1 year from the date of purchase in residential use only. They are not warranted for contract use.

Vinyl Straps: Vinyl straps are warranted against breakage and gross discoloration for a period of 3 years from the date of purchase. In the case of breakage or gross discoloration (our judgment), replacement straps will be provided but labor is not included.

Wicker Fibers: Wicker fibers featured in our Wicker Collections are warranted by the fiber manufacturer for 3 years from the date of purchase. Please refer to our Price Index or contact our Customer Service Department for details on this wicker fiber warranty.

Other Warranty Limitations and Exclusions: The natural weathering of wood finishes, breakage of glass, fading, staining and mildewing of fabrics, slings and strapping, the compression of cushion fillings, and the rusting of umbrella bases are not covered under our warranties.

Freeze or ice damage is not covered by our warranties. Furniture stored outside or in other cold storage should be drained of any water. If allowed to freeze inside the furniture, water can damage the tubing.

These warranties do not cover the failure of furniture caused by acts of God, accident, neglect, improper shipping or handling, or by unreasonable or abusive use, and these warranties are void if our care and maintenance instructions were not properly followed. Furniture used in a contract (commercial) setting is not warranted unless it is specifically designated for contract or commercial use in our catalog.

All warranties are to the original purchaser from authorized dealers only. Warranties are not transferable. Warranties are for repair, replacement or substitution only, in our sole discretion. Warranty service of any kind does not extend the warranty period. These warranties apply only to furniture manufactured by Telescope Casual Furniture, Inc., after September 1, 1986.

THESE WARRANTIES ARE IN LIEU OF ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL TELESCOPE CASUAL FURNITURE, INC. BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, EVEN IF IT HAD REASON TO KNOW IN ADVANCE THAT SUCH DAMAGES WERE POSSIBLE. THESE WARRANTIES GIVE YOU SPECIFIC LEGAL RIGHTS AND YOU MAY HAVE OTHER RIGHTS THAT VARY FROM JURISDICTION TO JURISDICTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR THE LIMITATION OF DAMAGES, SO THE ABOVE EXCLUSION AND LIMITATIONS MAY NOT APPLY TO YOU. IN THE EVENT THE WARRANTY EXCLUSIONS DO NOT APPLY TO YOU, THEN, WHERE LEGALLY PERMISSIBLE, SUCH WARRANTIES ARE LIMITED IN DURATION TO THE APPLICABLE WARRANTY PERIOD AND NO WARRANTIES APPLY AFTER THAT PERIOD.

How to Obtain Warranty Service: To obtain service, contact our Customer Service Department in writing at Telescope Casual Furniture, Inc., 82 Church Street, Granville, NY 12832, stating the problem, providing pictures and providing proof of purchase. A Return Merchandise Authorization will be sent to you giving instructions for returning items if necessary. No returns will be accepted by our factory without prior written authorization from our Customer Service Department. After authorization is received your furniture must be returned to the factory in proper packaging, freight prepaid.

Patent Protection
